TOOTHLESS & RETRO NIGHTS BACKSTORY

On October 1st, 2024. Retro had contacted Toothless right after Toothless made his “Exposing Magno” community post. Toothless was depressed and wanted friends since he had zero friends. Retro would be friendly towards Toothless, making Toothless feel special. **(1)**

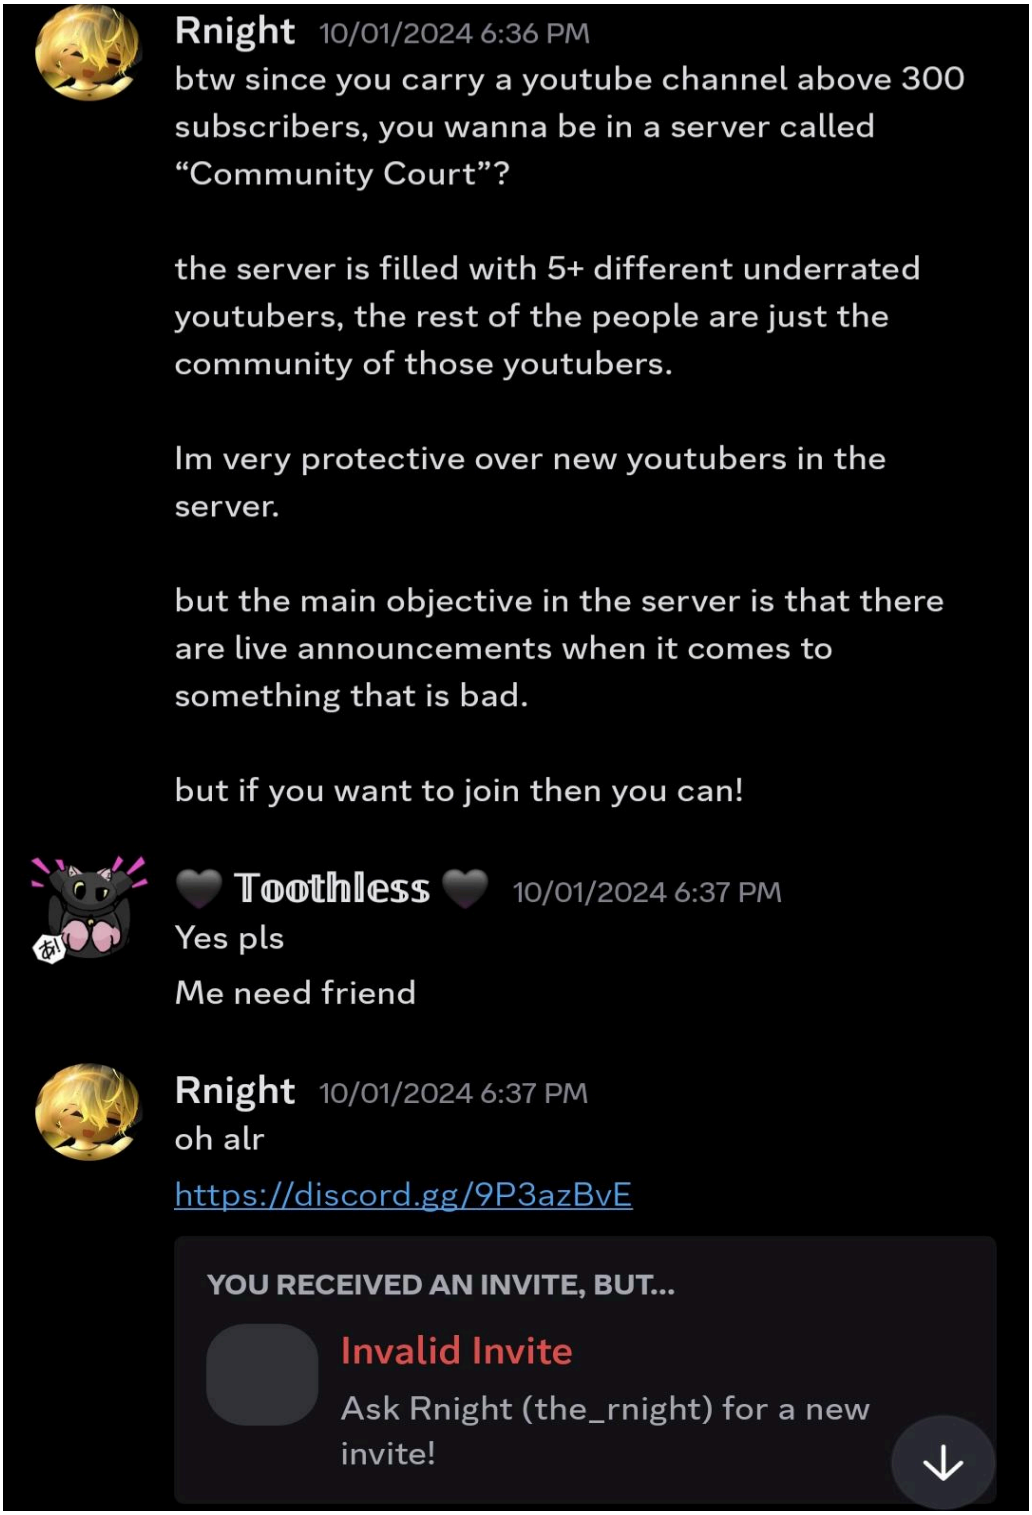
As Toothless got comfortable with Retro, Toothless was introduced to all of Retros friends/community via a discord link. Finding a new community to be apart of. **(2)**



Rnight 10/01/2024 6:36 PM
btw since you carry a youtube channel above 300 subscribers, you wanna be in a server called “Community Court”?
the server is filled with 5+ different underrated youtubers, the rest of the people are just the community of those youtubers.
Im very protective over new youtubers in the server.
but the main objective in the server is that there are live announcements when it comes to something that is bad.
but if you want to join then you can!

Toothless would immediately get harassed upon entering the discord by a user named “Slimey”. Toothless knows something is off at this point, so he asks Retro to talk to Slimey and a couple other anti-furry individuals about how Toothless was a good person. A couple weeks later after toothless settled down, Toothless noticed not so good things happening about some people, calling them out on their behavior and wording. **(3)**

Slimey Getting Banned Incident
A user by the name of "Toothless" hated Slimey because he was a anti-furry as what toothlessthought but instead Slimey is both, if furries respect him then he respects them, but Toothless also thought that Slimey was in the Cheese Army, which is partially true because Slimey USED to be in the Cheese Army until it was nuked by another user called "Boah Wa ah" aka the owner of Cheese Army. Toothless doesent believe ANY of that and thought it was all staged, JUST BECAUSE he is a "Anti-Furry", Slimey tried helping Toothless and asked him to add a few bots to his server that are useful such as snipebot, and quoter, but nope, EVERYTHING WENT DOWNHILL! Toothless thought slimey was trying to raid/nuke his server but instead he was only trying to help, i couldent change Toothless's mind because he was always sticked on to Slimey being apart of Cheese Army, i couldent do anything besides try and help them both settle this, but Toothless kept going after slimey and when i backed him away from it, he started making depression comments on my Dms, slimey told me his side of the story and i tried talking to Toothless about it, but i kept getting silenced because all i recieved was depression stuff, so i got over the stuff and do what i normally would do in my life. sooner i saw that Bacon Heads Court has a g#re channel, so i made an announcement on Shopping Cart to let everyone know that we need this server DOWN! Slimey made a comment saying "whats wrong with gore" and i explained why we dont need it in our community, Toothless went very hostile on Slimey and BANNED him from Shopping Cart, i Dmed Slimey and told him i didnt do anything, Slimey said something threatening to Toothless and i said no dont do anything, he quickly understand and stopped what he was doing, Toothless on the other hand was complaining in my Dms about how i defended a g#re liker, knowing damn well i didnt defend anyone, i tried making things right and i wanted both of them to have peace, but stuff kept on getting worse, he then later blocked me and made a few community posts that would get me hella scared for my life because i cant expose people properly, i decided it was best to reply and act nice until Toothless cursed me out on my comment, he deleted the negative comments and only kept the positive ones, he keeps editing the community post and keep "accidentally" friending me on discord, hes sitting there stalking my profile and i dont know what to fucking do anymore.
Toothless if your seeing this
stop spying on this server, you doing this means your nothing better than us.
a fuck ton of allegations with NO proof.
(Important edit: Slimey only said it to find people who ACTUALLY likes gore, and i also wanted to point out that i never defended slimey, im only making this to backup the drama so no one harasses others.)
Retro is a degenerate who values protecting his friends over punishing them for doing bad fucking things.

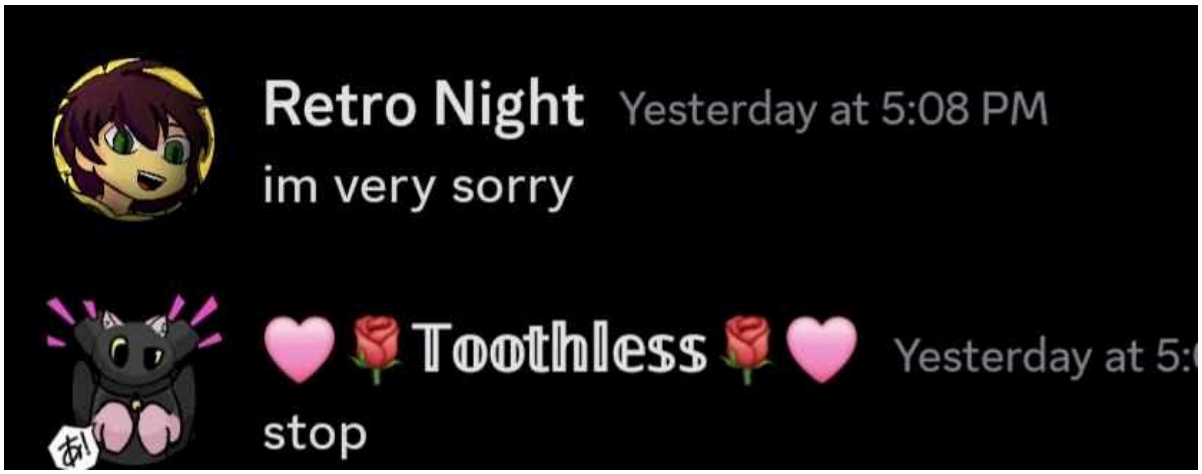
Toothless was wrongfully shunned for calling out the bad individuals he had witnessed, betrayed by his best friend. The harassment would continue on for weeks ahead. Toothless has decided to expose all these horrible degenerate individuals by writing an expose document.



This is that document.

EXPOSING RETRO NIGHTS COMMUNITY

After Toothless exposed Slimey for liking gore, Retro had all of his friends attack, harass, slander, and defame Toothless by making false allegations to ruin his name. Retro condoned the harassment, letting people even draw gore of Toothless, sexualizing Toothless in weird ways. Retro would consistently harass Toothless and act like the victim to avoid being caught. Toothless became depressed after two individuals named El Cato and Whitetopfr made false zoophile, groomer, and pedophilia allegations about Toothless. Toothless would even begin begging Retro to make his friends stop, but Retro never wanted to punish his friends. This led to Toothless hating Retro as Retro not defending Toothless made the allegations worsen over time. Retro, along with his friends, were caught liking gore of Toothless, making fun of Toothless at the same time. Retro, along with some of his friends, were caught using the N-Word. Retro would constantly try protecting Toothless but kept ditching him, leaving Toothless behind. Retro invited Toothless into a group chat with over 15 members being involved to harass, slander, and make false allegations about Toothless after Toothless was groomed and sexualized by a user named “Jacobtherandomdude”. Yes, you heard me right, Toothless was harassed for being groomed by someone. Toothless left the group chat but was followed and banned falsely from a discord server named kittymas. Toothless would work with Retro to get unbanned, but ended up getting rebanned because the mods were corrupt and made false pedophile allegations about Toothless. Toothless would work secretly, alone, writing a fully composed and complete document on the Retros community. After 96 hours, Toothless finally released the Retros expose document. Proving Toothless completely innocent, making Retro and his community guilty. All evidence will be shown down below. Currently waiting on Retros arrest.

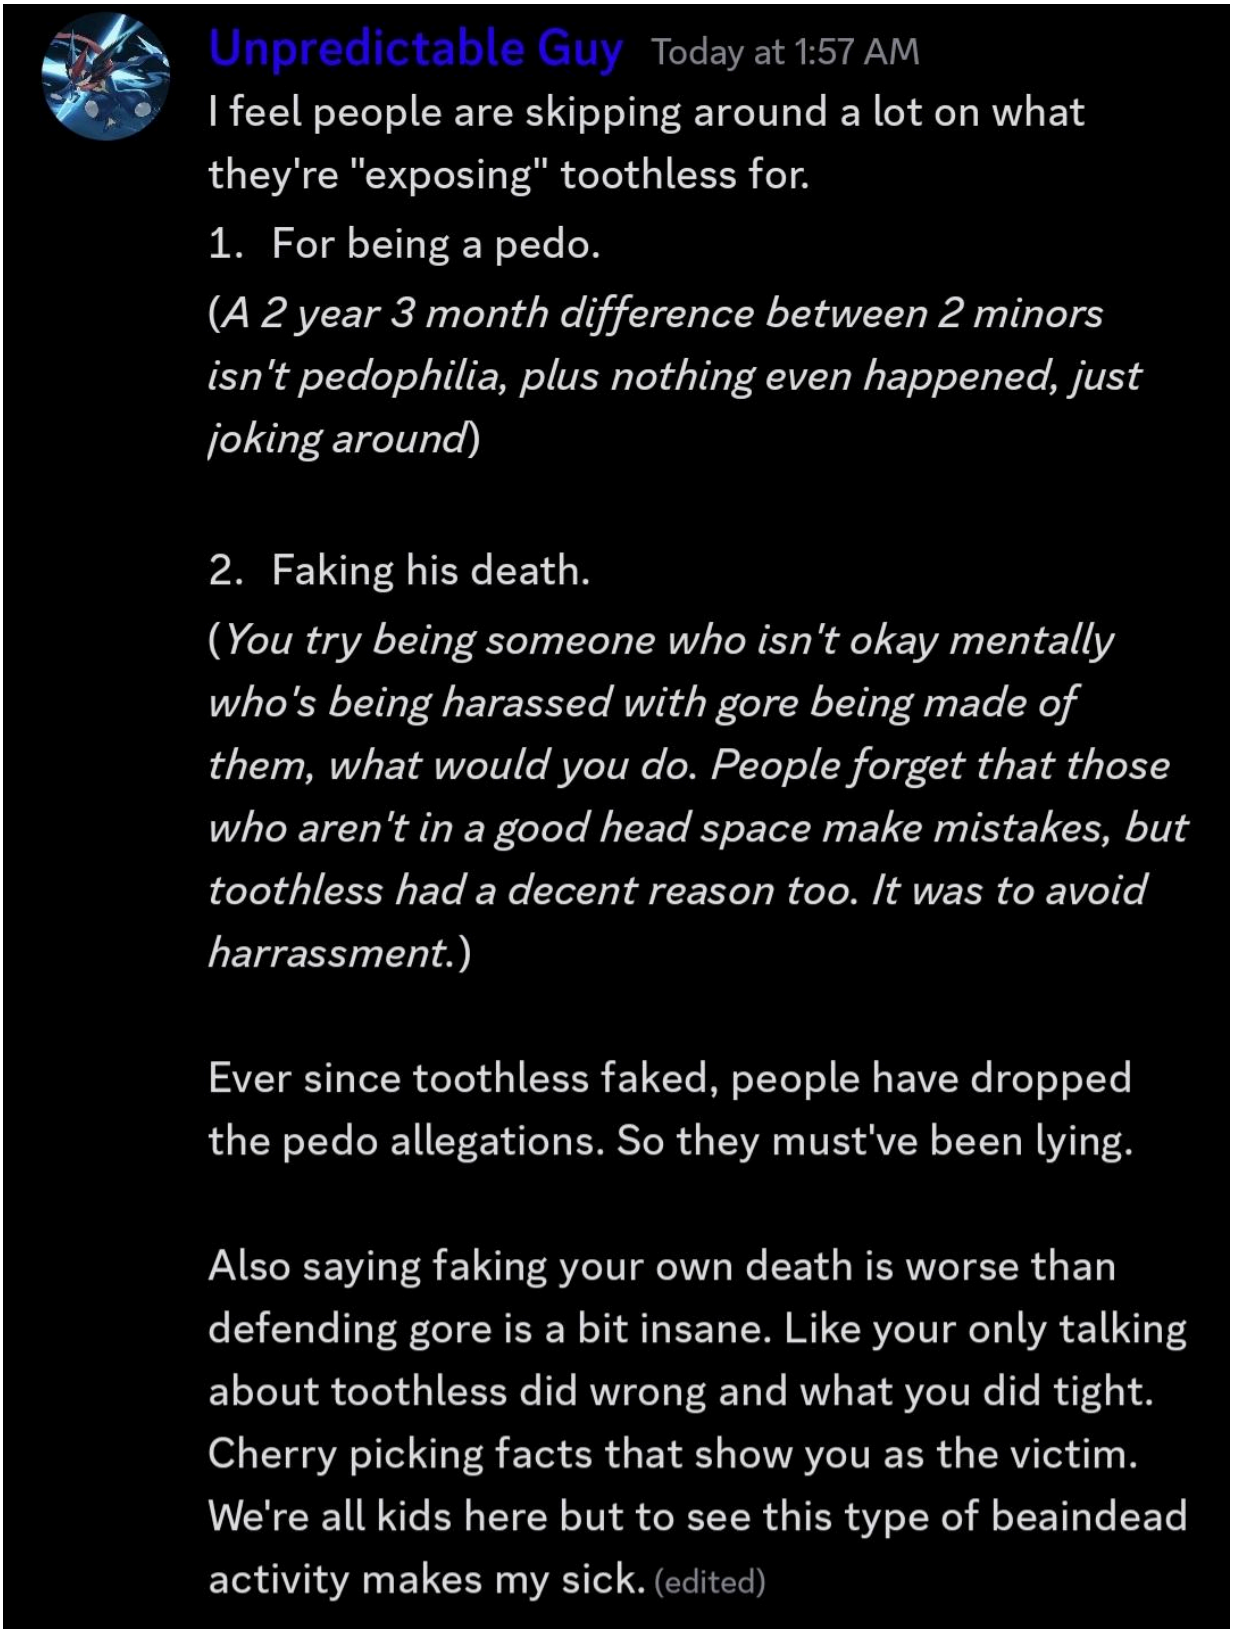
Toothless's friend defending Toothless, pointing out a key factor about Retro and the allegations.



Unpredictable Guy Today at 1:57 AM
I feel people are skipping around a lot on what they're "exposing" toothless for.
1. For being a pedo.
(A 2 year 3 month difference between 2 minors isn't pedophilia, plus nothing even happened, just joking around)
2. Faking his death.
(You try being someone who isn't okay mentally who's being harassed with gore being made of them, what would you do. People forget that those who aren't in a good head space make mistakes, but toothless had a decent reason too. It was to avoid harrassment.)
Ever since toothless faked, people have dropped the pedo allegations. So they must've been lying.
Also saying faking your own death is worse than defending gore is a bit insane. Like your only talking about toothless did wrong and what you did tight. Cherry picking facts that show you as the victim. We're all kids here but to see this type of beaindead activity makes my sick. (edited)

Yes, you can press charges on a minor for assault or other offenses, but the process is different from that for adults, focusing more on rehabilitation than punishment. It's advisable to contact law enforcement to report the incident and seek legal counsel for guidance.

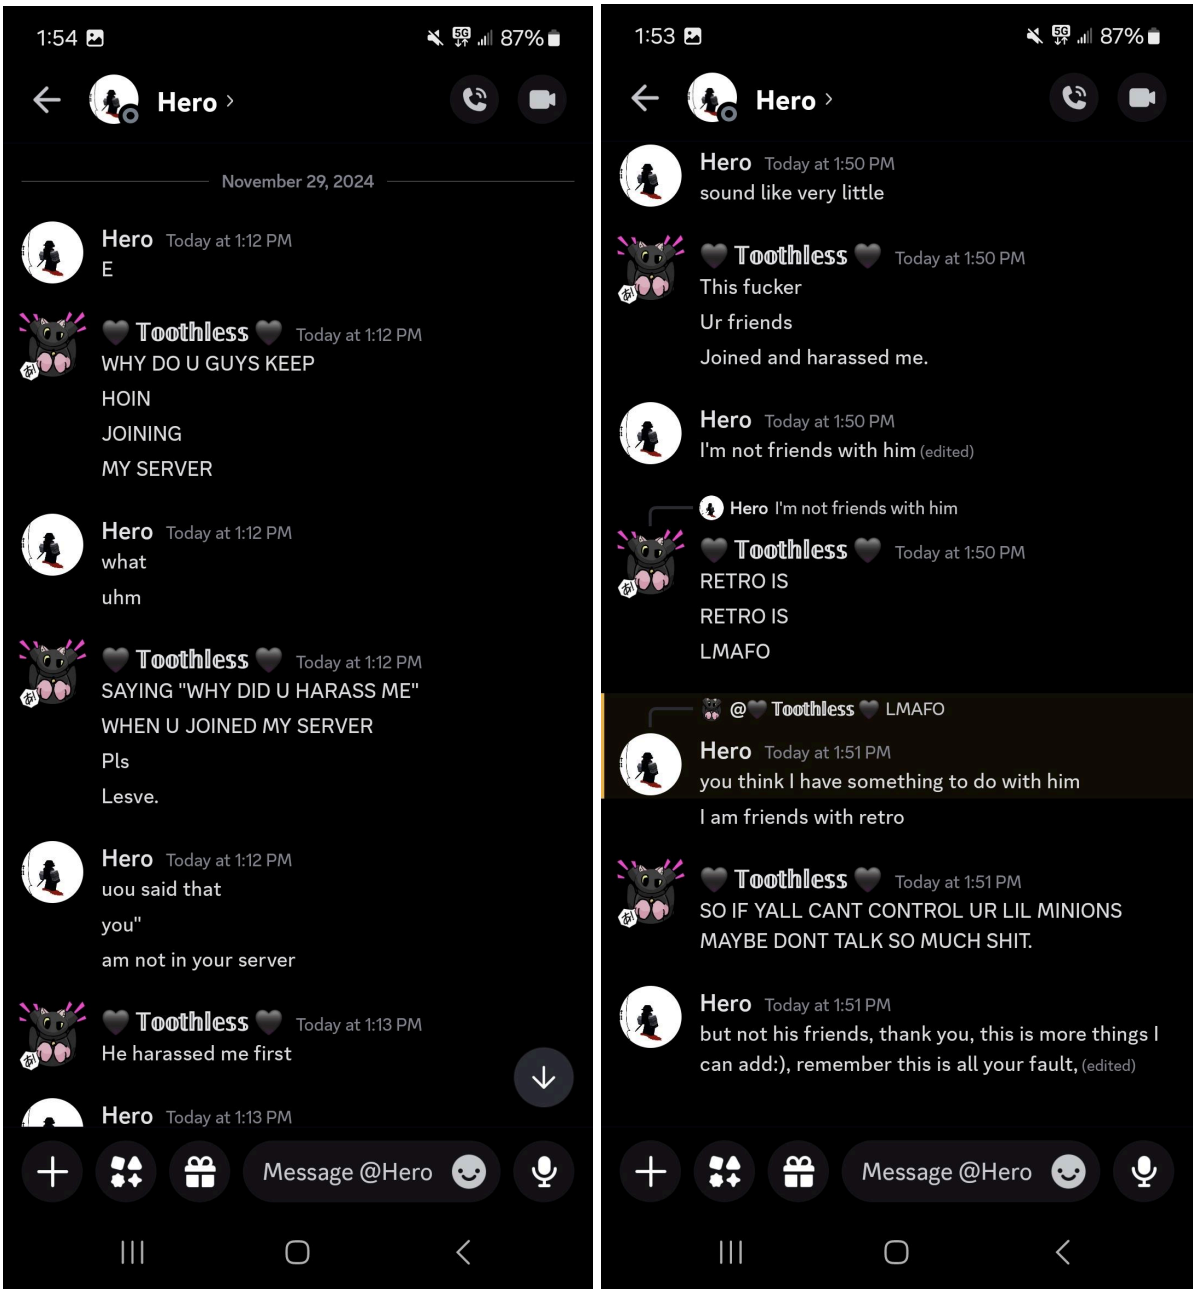
Conehero_ sending a friend request to Toothless. Conehero_ is caught harassing Toothless, trying to stage Toothless harassing Conehero_ (Toothless doesn't harass people unprovoked).



Unprovoked means to not be messed with.
Toothless only harasses his aggressors if the aggressors harass Toothless first.

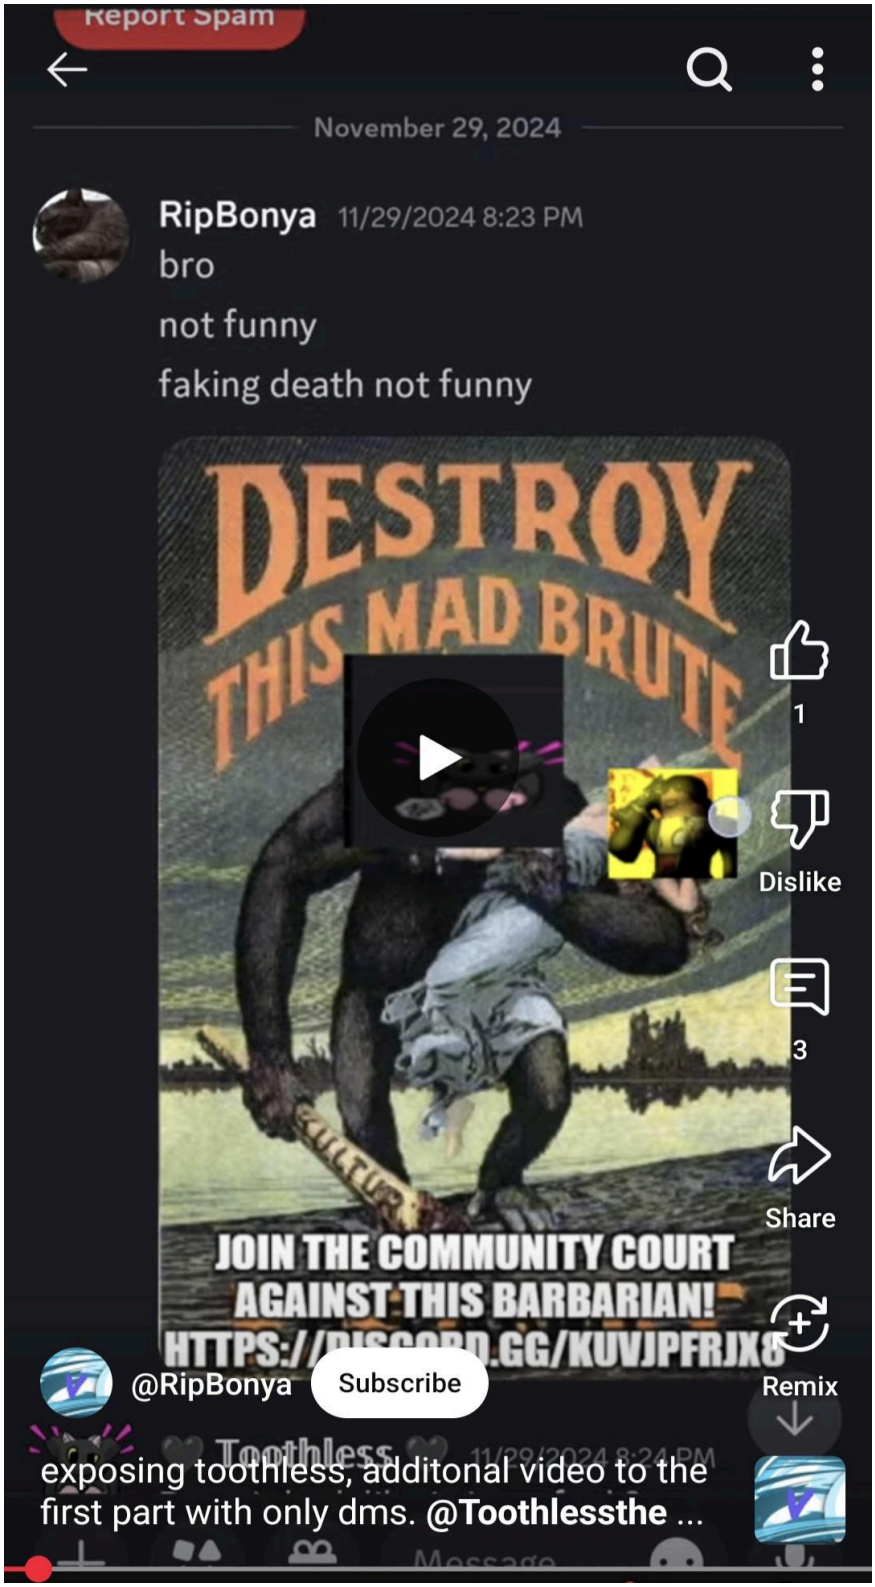
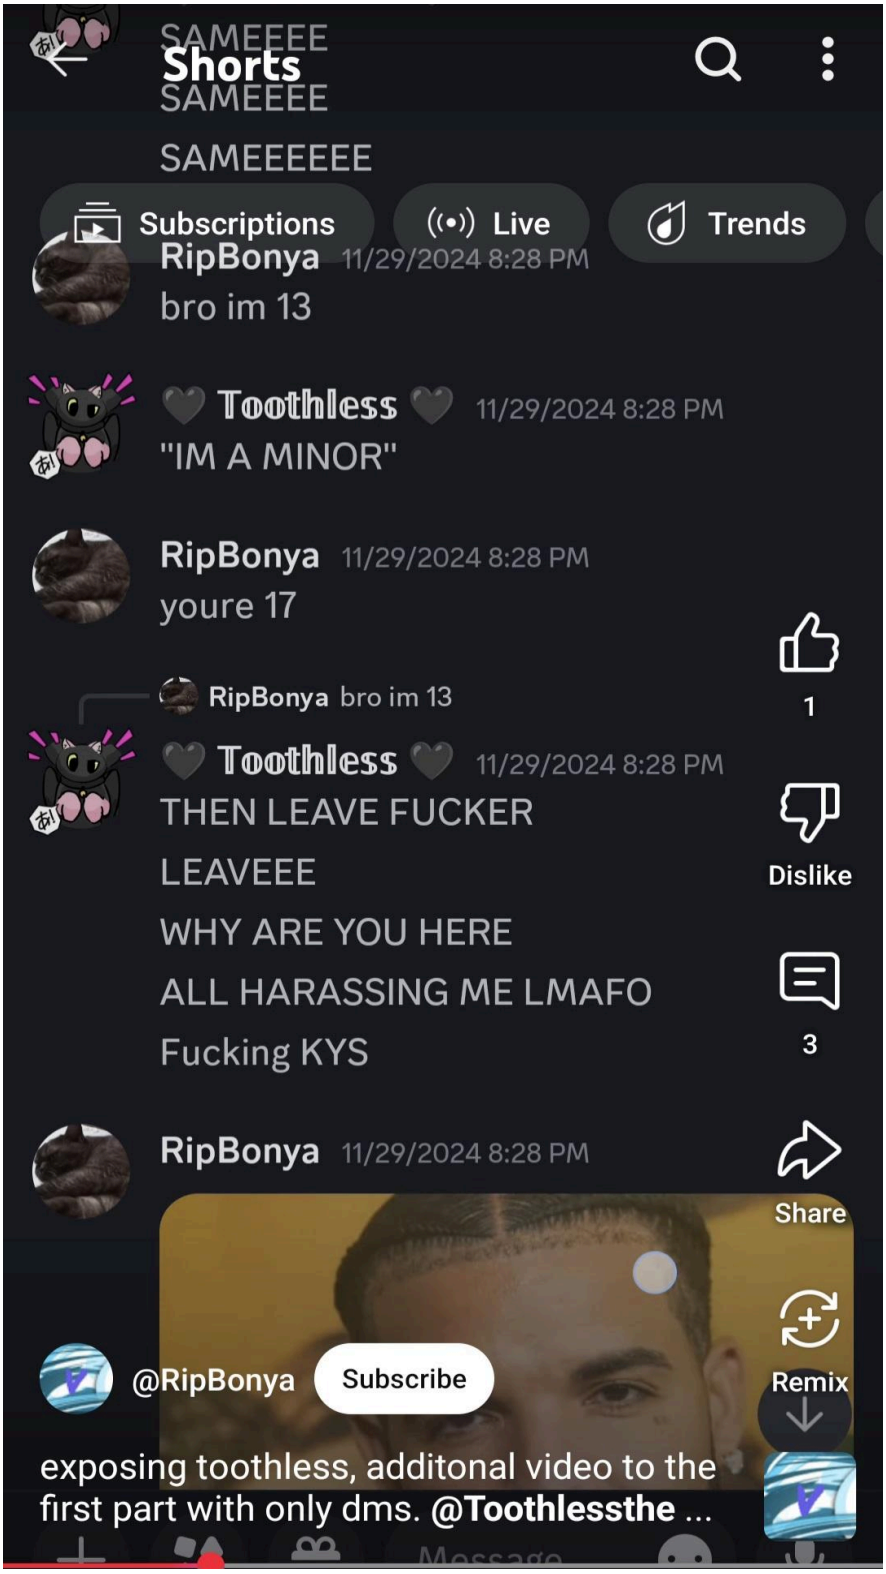
@OmegaCT55555 • 31 min ago
Just went on his video and most of the “proof” shows him harassing you and didn’t even have him deny the accusations and actively shows a screenshot of him harassing you LMAO. Also for anyone who doesn’t know I am a mod in Toothless Discord Server and I’ve known him for quite sometime, however I’ve only recently (like a few months maybe 1-2) been actually in contact with him via Discord and so far he’s been kind and at time funny, and not a pedo, how do I know this? Well last I checked you have to be 18 or above to be a pedo which Toothless is a minor and he’s understanding, like during this drama I decided to not be a part of it due to security reasons and he respected my decision and didn’t get all mad and pissy. Also he gave me Nitro on discord for a month and all of his mods in his server too, and mind you non of us asked for it he just gave it to me at a random time and I am grateful for that.
1

RipBonya uploaded a video with proof of RipBonya harassing Toothless first. **(1) (2) (3)**



(1)

RipBonya sending Drake photos to Toothless. RipBonya is seen obviously harassing Toothless.



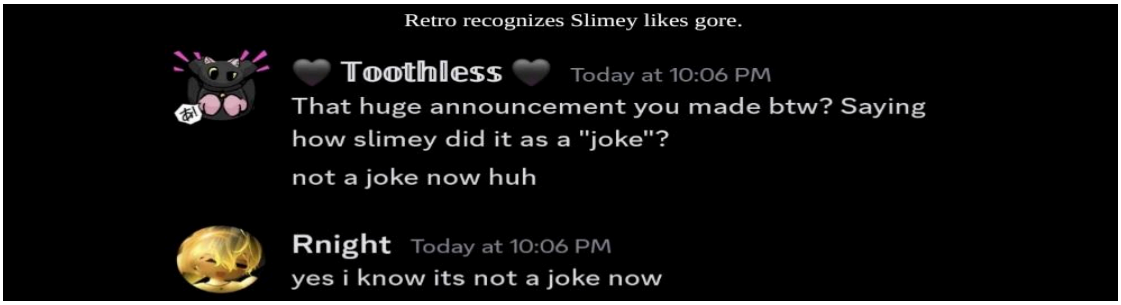
(2)

RipBonya called Toothless a zoophile in RipBonyas video. RipBonya then makes a comment saying Toothless isn't a zoophile. RipBonya is so fucking retarded as RipBonya harassed Toothless FIRST. Toothless told RipBonya to kill himself because RipBonya kept spam raiding Toothless's server with alt accounts. RipBonya spammed Toothless with photos of Toothless being a communist, slandering Toothless. What RipBonya keeps refusing to say is that RipBonya joined Toothless's server first, starting the harassment. Toothless acted in self defense.

(3)

Retro admitting to sending people to harass Toothless makes their claims of Toothless harassing them invalid. Toothless doesn't harass people without being harassed first.

Toothless speaking:
I don't fucking care who the fuck you all are or what you do, if you fucking harass me first I'll harass you back womp womp grow the fuck up, literally. You are all spamming my dms and then act innocent when I shit talk you BACK. See that word? It's highlighted. BACK. I don't fucking harass you guys first. You guys keep making me out to be the bad guy, saying you have, quote, “disproven this entire document.” Faggot, no the fuck you haven't. Everything in this document is backed up with photographic proof. You can't just all goon in a voice call saying “hmmm nope that never happeneddd” YES THE FUCK IT DID HAPPEN. You're all fucked up, bringing more youtubers to keep harassing me, ruining their reputation. I haven't done shit to any of you, all I did was expose Slimey for liking gore and guess fucking what? RETRO ADMITTED TO THIS.



Retro recognizes Slimey likes gore.

this is going to me my one and only message about this, @Toothlessthedragon_ in the "Exposing Retro" doc claims to have "No personal information shown" but instead you included someones personal gmail on the document, i advise you to remove it, or legal action may occur on your google account, thank you for understanding.
also feel free to put this statement in the document

(2)

It has been labeled “Public Email” instead of “Private Email”. Toothless isn't changing this.

El Cato broke federal law by making a false written police report on Toothless.

Hey! 👋
I've heard that toothless has been going around making allegations on YouTubers
For his own personal gain ⏫📈
But he mostly uses screenshot proof of them.🤷
I've heard he has even been trying to doxx xenon, from the screenshots 😱

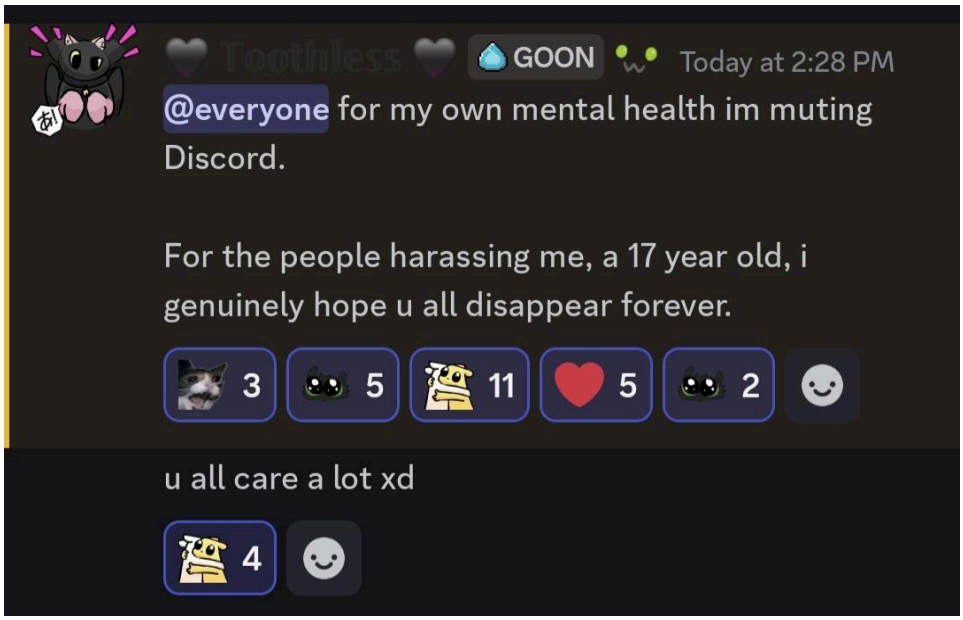
The video is really short compared to PlokenV's other videos as there's no evidence of Retro debunking any allegations. There's no evidence of Toothless being a groomer, pedophile, doxxer, or whatever the fuck people are lying about now. Toothless dealing with a fuck ton of false allegations is ruining his mental health. If you want to help, share this document. “It makes me smile how my friends care for me to the point where they are reaching out to other youtubers and popular people. I truly am sorry for getting so depressed guys, from your pov it probably makes you sad seeing me on the brink of suicide. I do really actually love you all.” - Toothless.



PlokenV refers to Toothless as a quote “big threat” even though PlokenV is shown harassing Toorhless.

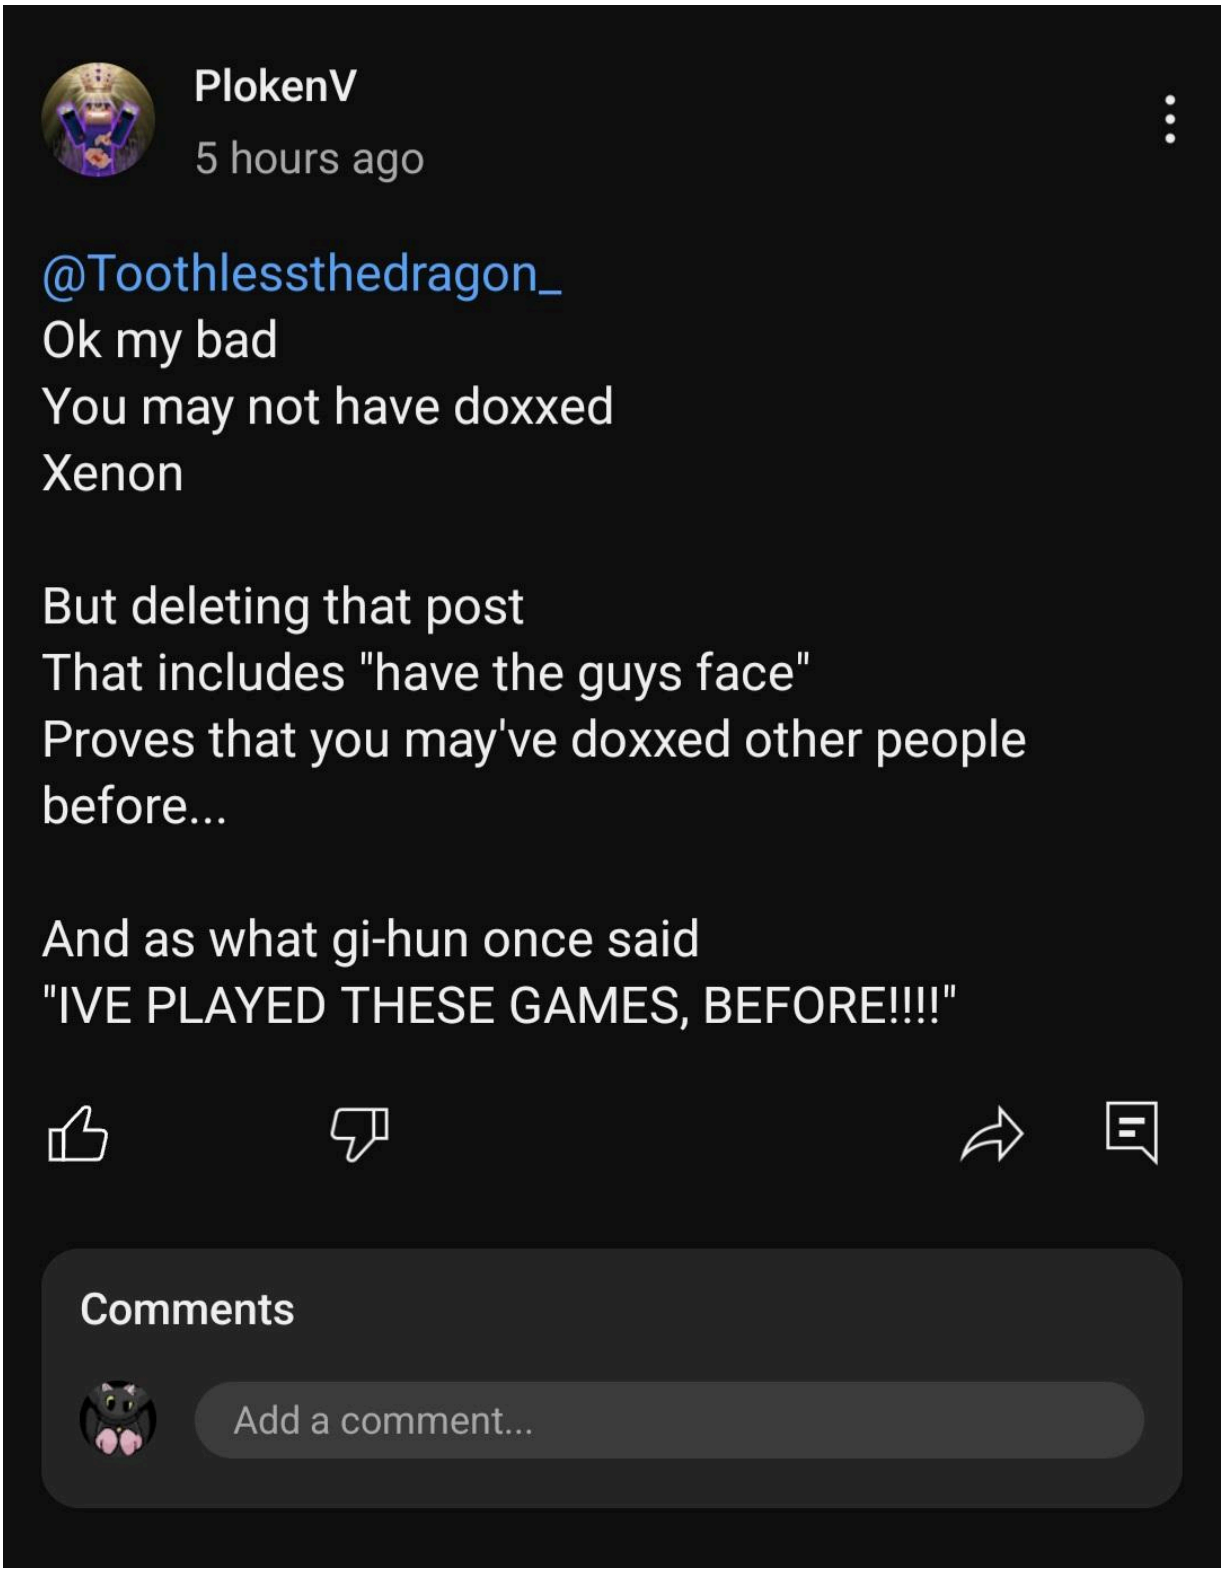
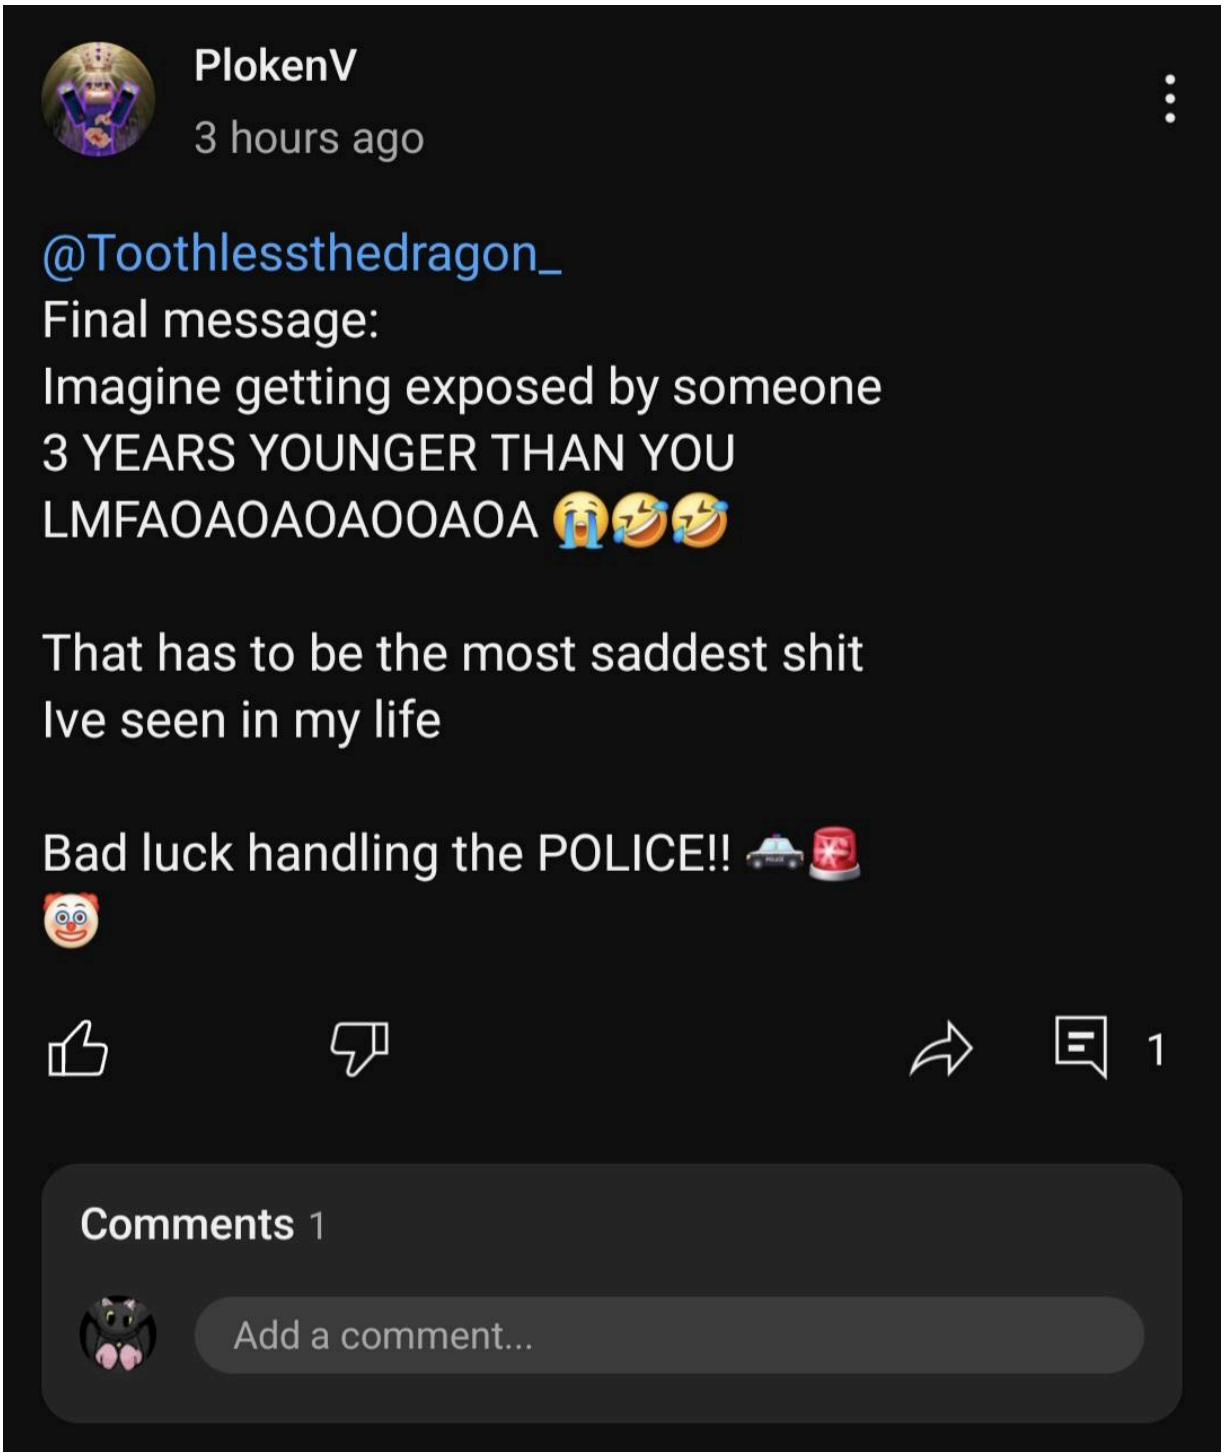
PlokenV says “my bad” and then proceeds to make more false assumptions further proving how much of a degenerate PlokenV is.



PlokenV claiming PlokenV has exposed Toothless, however there has been no evidence shown anywhere on Toothless.



Again, making false pedophile allegations is going to ruin your life, you've already been told I've made contact with the police. I am requesting you end this small feud, you're hurting both my friends and I by making these false allegations.

(Term 1) Defamation: https://www.law.cornell.edu/uscode/text/28/4101
The term “defamation” means any action or other proceeding for defamation, libel, slander, or similar claim alleging that forms of speech are false, have caused damage to reputation or emotional distress, have presented any person in a false light, or have resulted in criticism, dishonor, or condemnation of any person.

FYI: Toothless was dating Shroomber in his own state, both Shroomber and Toothless live in Missouri. This is the person Toothless was talking about, not subspace. Toothless's birthday is November 2nd, 2007. Subspace started dating Toothless ~Jan 7th 2025.

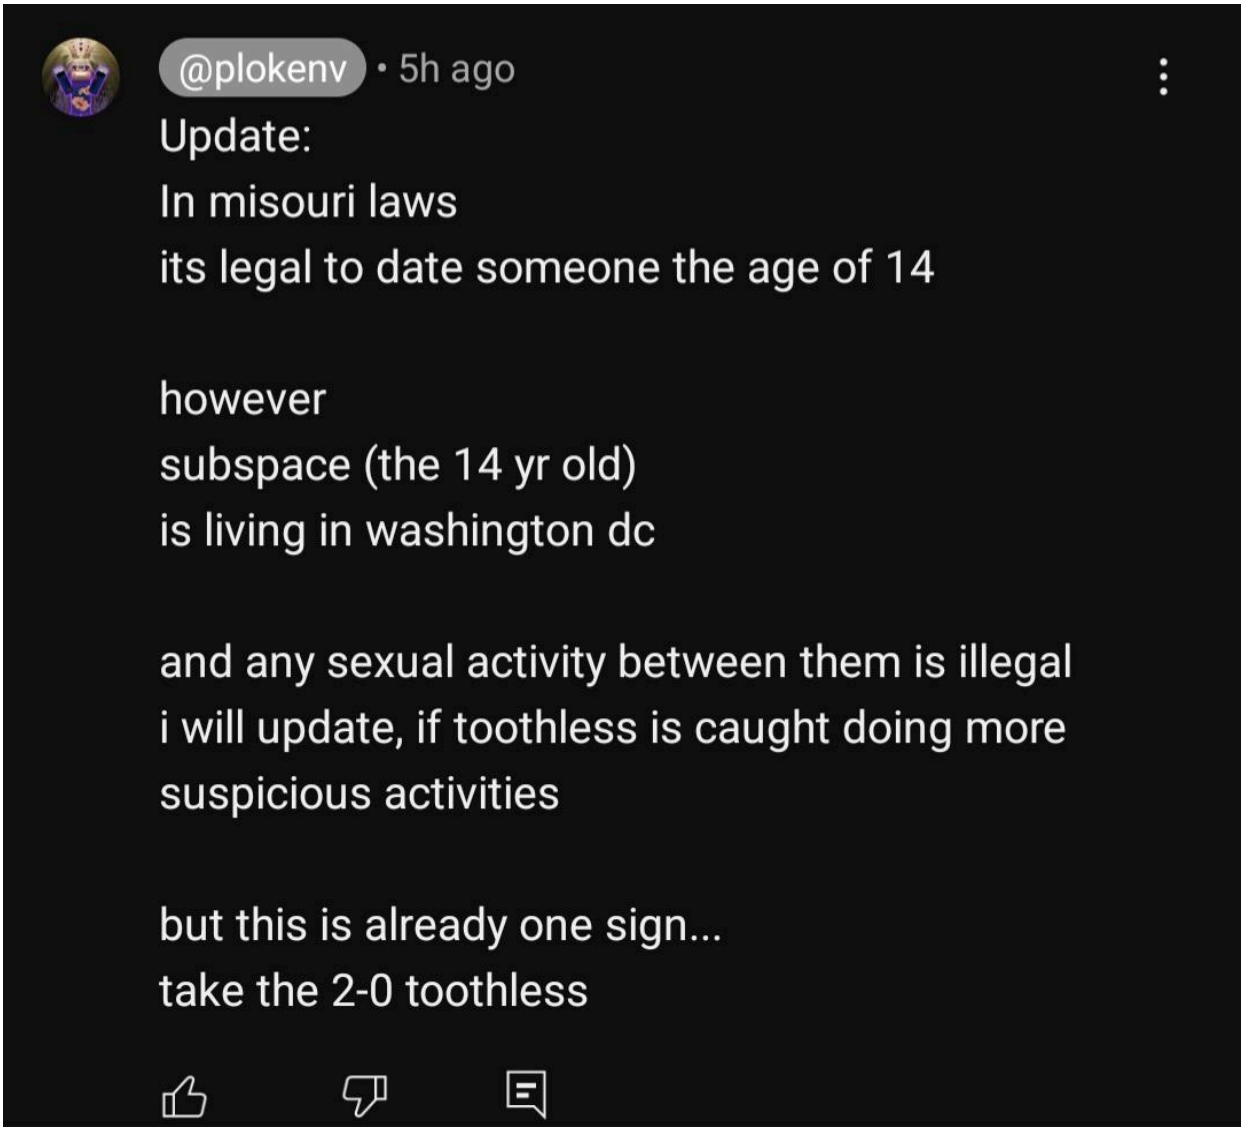
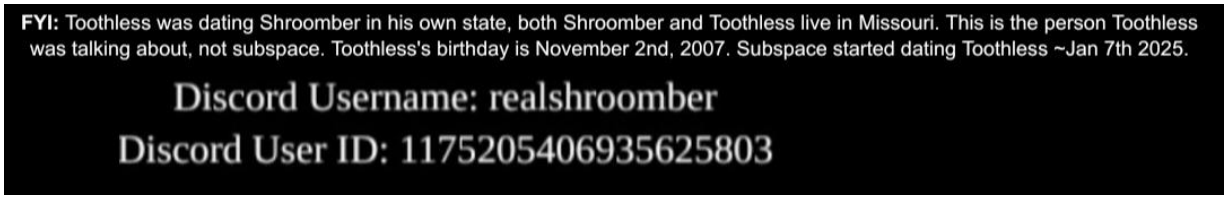
Toothless is requesting PlokenV to apologize and make a video. Toothless is not very merciful to his enemies, as PlokenV has already seen. PlokenV wrongfully harassed, slandered, attacked, and abused Toothless which caused Toothless mental distress. If PlokenV keeps doing more and more, this document will be filled with more and more evidence. Toothless has asked PlokenV multiple times to stop harassing Toothless, and now PlokenV is harassing Toothless's own boyfriend. Pathetic. Degeneracy.

“The 14 yr old” IS SHROOMBER. The person Toothless was talking about in the screenshot is SHROOMBER. This is misinformation uploaded by PlokenV. Please report this video immediately. Toothless and Subspace have already discussed their relationship and funny enough Subspace is planning to get a restraining order on one of the individuals from Subspace's school for harassing me. PlokenV, the user I was talking about was Shroomber, which means PlokenV is spreading false information.



@plokenv • 5h ago
Update:
In misouri laws
its legal to date someone the age of 14
however
subspace (the 14 yr old)
is living in washington dc
and any sexual activity between them is illegal
i will update, if toothless is caught doing more suspicious activities
but this is already one sign...
take the 2-0 toothless

Maybe if PlokenV would read THE DOCUMENT THAT'S EXPOSING PLOKENV; PlokenV would know this.



FYI: Toothless was dating Shroomber in his own state, both Shroomber and Toothless live in Missouri. This is the person Toothless was talking about, not subspace. Toothless's birthday is November 2nd, 2007. Subspace started dating Toothless ~Jan 7th 2025.

This user has been harassing both @Toothless and @subspace for having a relationship whilst Toothless is in the 11th grade and Subspace is in the 9th grade.
Toothless has been mass harassed and targeted by these individuals so I'm asking people to spam report them for harassment and making false allegations.
I'm trying to stay happy for my boyfriend, so I'm sorry for my depressed state right now.
I do know his name and his school, so, currently going to try getting him punished and @subspace wants to sue him for mental health damages done on me.
Ily babe.

and we are less than 48 months apart in age

The age gap between Toothless and Subspace is 32 months. That's less than a 3 year age difference. Completely LEGAL.

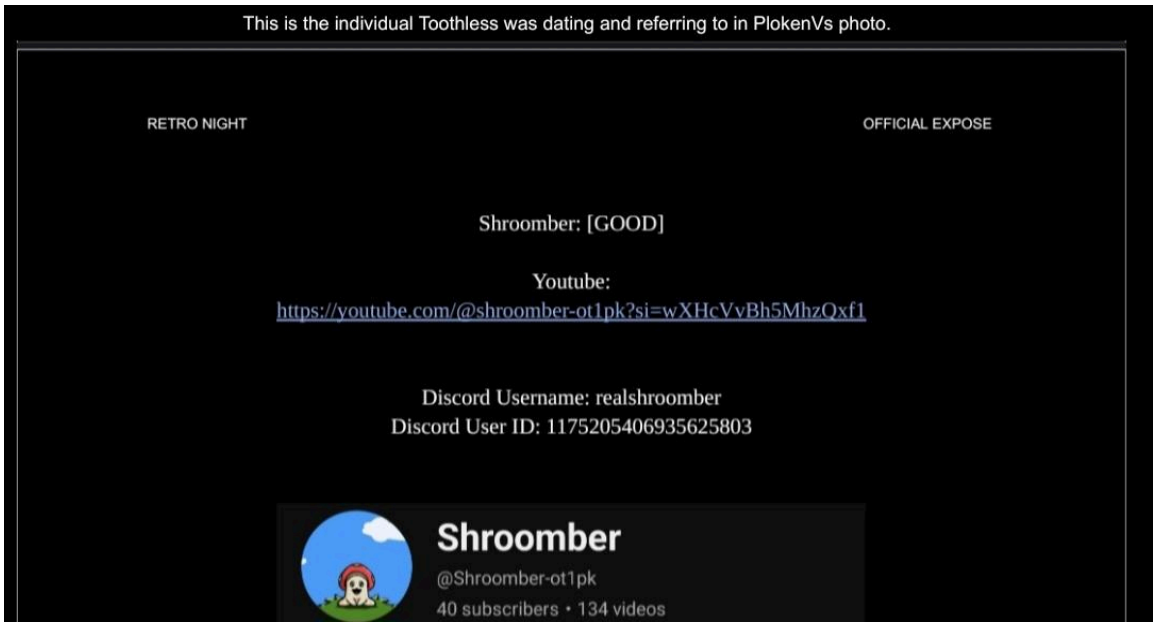
PlokenV misinterpreted the past chats because PlokenV wanted a reason to harass Toothless.
Again, Toothless was speaking about a user named SHROOMBER.



PlokenV still hasn't apologized for harassing Toothless and his current boyfriend Subspace. (Shroomber is an Ex.)

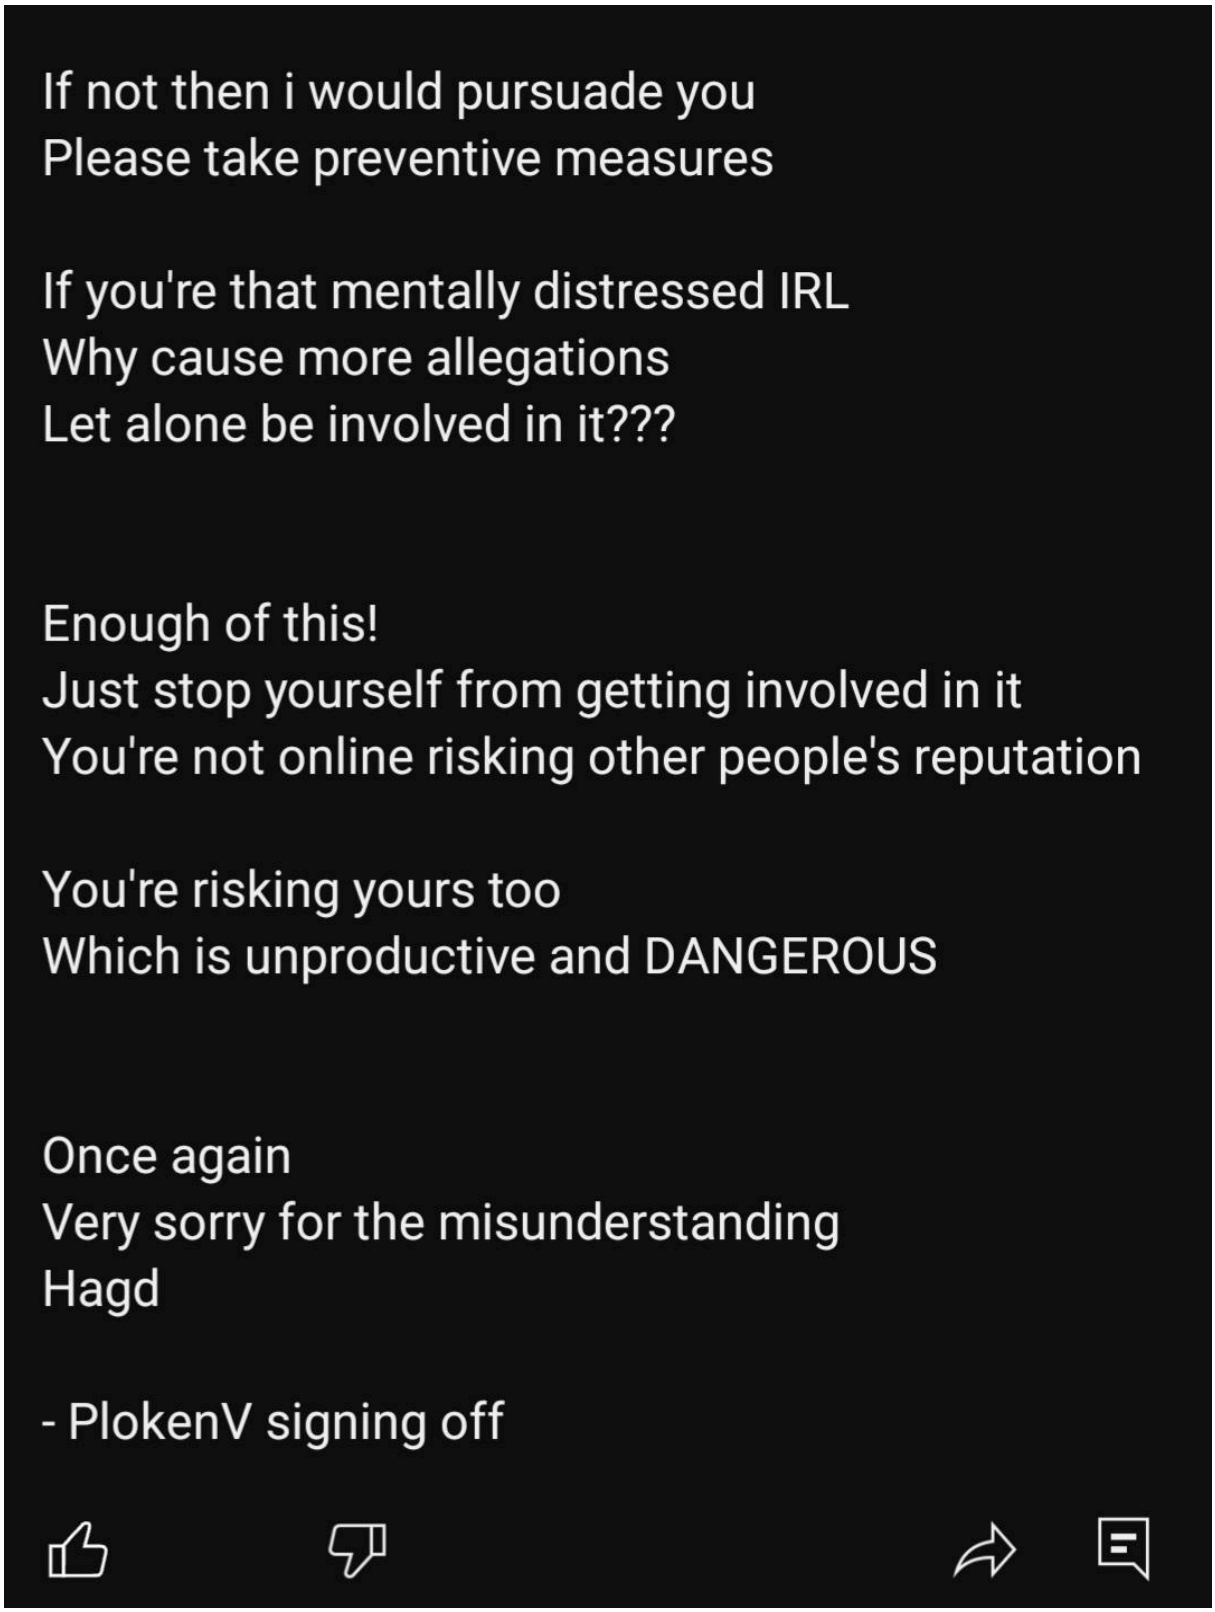
Good job on disproving the allegations
Im sincerely sorry for the misunderstanding and causing a whole allegation on you
Im not from Washington nor Missouri
So i am not fully aware
Im gonna delete that video
HOWEVER
Let me ask you one thing:
Why are you attracting so many allegations?
I've seen way too many allegations made from you and from others against you
And ita becoming some sort of pattern...
Have you even taken preventive measures to prevent misunderstandings or allegations prior to this from ever happening ever again?

This exact document you are reading is all of the community drama which revolves around Retro. I write expose documents.



If not then i would pursuade you
Please take preventive measures
If you're that mentally distressed IRL
Why cause more allegations
Let alone be involved in it???
Enough of this!
Just stop yourself from getting involved in it
You're not online risking other people's reputation
You're risking yours too
Which is unproductive and DANGEROUS
Once again
Very sorry for the misunderstanding

"victim" here, why do you guys harass toothless if
1) its fully legal
2) "oh nooo its immorall" ive literally never been happier with anyone in my life how is it immoral if i am willingly in this relationship and also happy being in it
3) ive been told hes "manipulating" me which it should be obvious that he is not, especially when you see us talking in the server
4) you dont even care to read the document he has made disproving all of the allegations people have made torwards him
also, it isn't a great look on you saying that you "act way more better than what type this situation is" (???) to the person who has literally researched all this stuff to determine that yes, it is indeed okay to be dating me and also disproved all his allegations & documented why the people making allegations against him are bad in a several hundred page document
here's the document in question, by the way so it would be nice if you read the thing before complaining about me and toothless loving eachother

@youtubertexting So you're 19, and you're harassing 2 high-schoolers for having a completely legal relationship?

You do realize that dehumanizing/defamation/slandering is completely illegal, right?

It's worse when you're also an adult. You can be seriously charged for child abuse as I am a minor.

Here in this post, I have provided the official law, which states why it's completely legal.

I'm also including the expose document, which is now open to the public so everyone can see it.

I find it disgusting how an adult is harassing 2 minors.

Note (only visible to you)

there is also a bunch of just general proof on why I'm not a pedophile, it's not hard to look into the law guys.

Pedophilic disorder is characterized by recurrent, intense sexually arousing fantasies, urges, or behaviors involving sexual activity with prepubescent children (generally ≤ 13 years); based on clinical criteria, it is diagnosed only when the patient is ≥ 16 years and ≥ 5 years older than the child who is the target of the fantasies or behaviors.

"Grooming is a topic that has been gaining more attention in recent years, particularly with the rise of social media and online communication. It's a term that is often associated with child sexual abuse, but it can apply to anyone who is targeted for manipulation and exploitation."

US CODE §4101 (1)

Defamation.—The term "defamation" means any action or other proceeding for defamation, libel, slander, or similar claim alleging that forms of speech are false, have caused damage to reputation or emotional distress, have presented any person in a false light, or have resulted in criticism, dishonor, or condemnation of any person.

In Missouri, a 17-year-old can legally engage in sexual activity with a 14-year-old under certain conditions, as long as both parties consent and are within the age range specified by the "Romeo and Juliet Law." However, if the older person is over 21, it may be considered a violation of the age of consent laws.

No, a 17-year-old dating a 14-year-old is generally not considered pedophilia, as pedophilia specifically refers to sexual attraction to prepubescent children. However, the legality of such a relationship can vary by jurisdiction, often depending on local age of consent laws.

03/08/2025 4:13 PM
@everyone retro night telling me to kill myself after I banned his brother for joining and trying to harass my bf. i am not a pedophile for dating my bf, and if you think that then tell me so I can ban you because we don't want dumbasses in our server.
retro is now telling me to slit my wrist, which btw, isn't the worse thing he's done. he's threatened to skin me alive and wear my skin like a fur suit cuz im a furry. retro is definitely not okay in the head.

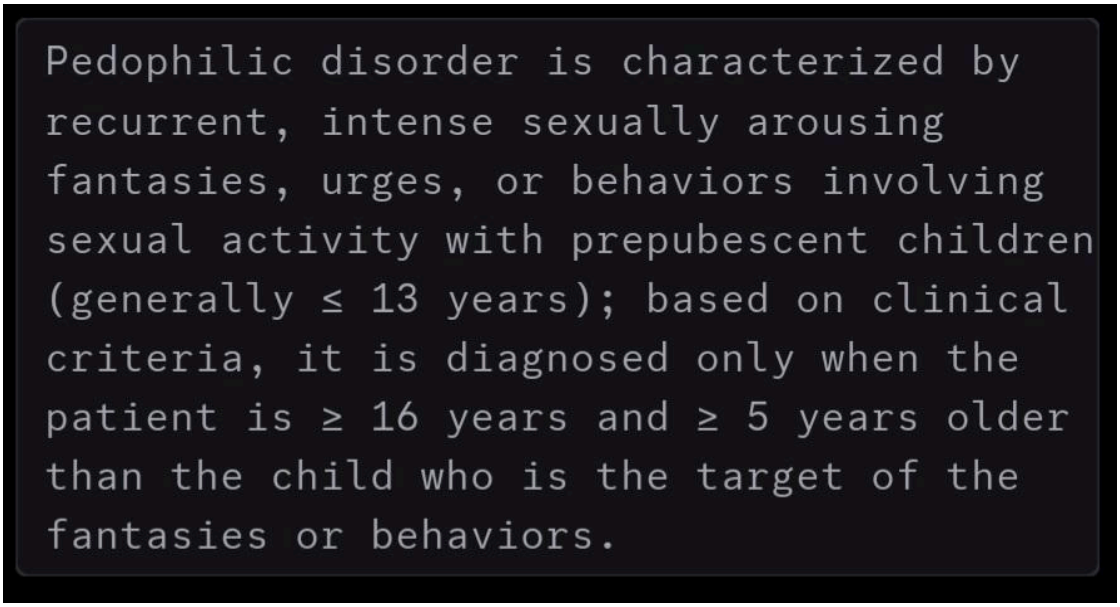
i cant even be a pedophile:



Pedophilic disorder is characterized by recurrent, intense sexually arousing fantasies, urges, or behaviors involving sexual activity with prepubescent children (generally ≤ 13 years); based on clinical criteria, it is diagnosed only when the patient is ≥ 16 years and ≥ 5 years older than the child who is the target of the fantasies or behaviors.

there is evidence of zen and tmi going around calling me a potemer defender, even tho i have never done that.

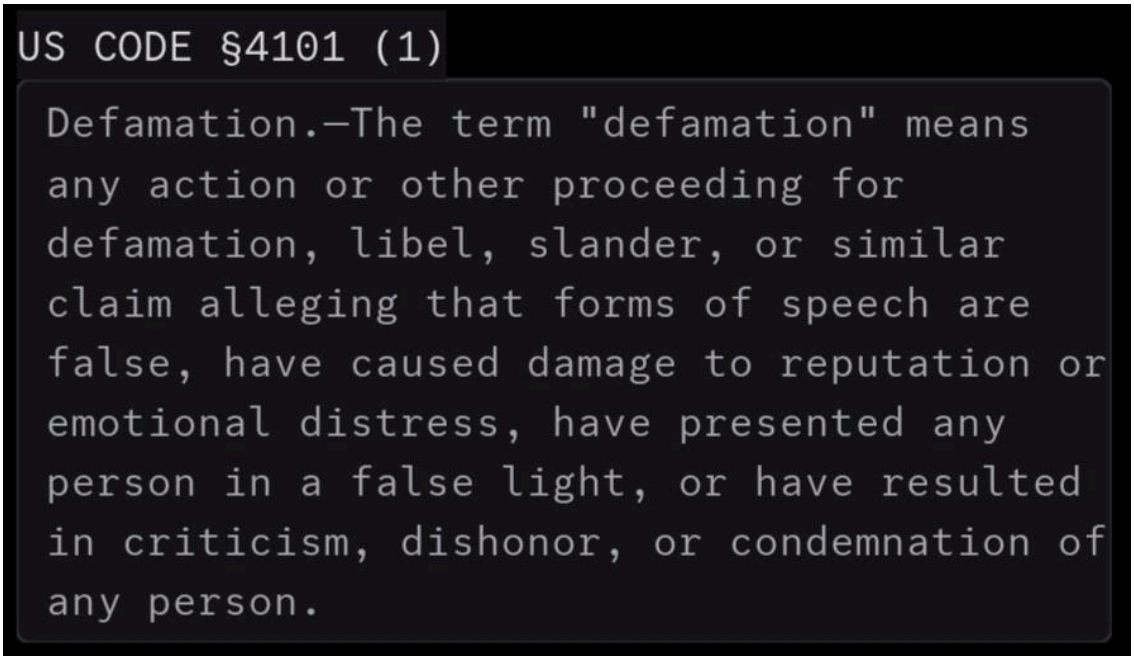
the pedophile allegations are false, this is a message to retro, el cato, youtuber texting, all of ur communities:
you guys can keep gaslighting eachother but at the end of the day the relationship with my bf is perfectly legal.



US CODE §4101 (1)
Defamation.—The term "defamation" means any action or other proceeding for defamation, libel, slander, or similar claim alleging that forms of speech are false, have caused damage to reputation or emotional distress, have presented any person in a false light, or have resulted in criticism, dishonor, or condemnation of any person.

im giving you all a chance to apologize before i actually press charges, but i'm most definitely pressing charges lmfao.
“erp is illegal” like no the fuck it aint my guy, and ive never sent nudes of myself to Subspace either because im not fucking weird.
you can ask Subspace on discord: 788189790456643615 fhwr

for the people that leave me due to the drama, idrc. if you believe the allegations then idc. you're just a degenerate fucker who doesn't want to read up on the law. when i press charges this will be the best thing I will ever feel. revenge. now that the allegations have been most definitely proven false, multiple fucking times, you guys trying to hide the fact you guys harassed me is the most fucking funniest thing I have ever fucking seen.

No, a 17-year-old dating a 14-year-old is generally not considered pedophilia, as pedophilia specifically refers to sexual attraction to prepubescent children. However, the legality of such a relationship can vary by jurisdiction, often depending on local age of consent laws.

@memesbruh3658 hey, its me, the person who people are calling "victim" of this alleged "pedophile"
me and toothless are in a 2yr age difference relationship, yet people seem to just not care about that info and call him a pedo regardless
also, we got together when he was 16 and i was 14
i'm not being forced to love him or anything, im in this relationship as per my own choice
im guessing you people think im being manipulated by him, but im not, toothless never forces me to do anything and he respects my decisions
believe it or not but toothless is a really good boyfriend too, he makes me happy and has helped me in more ways than one such as likely saving me from getting back with my extremely needy ex who also faked killing himself to see how i reacted and more
so basically yes, i know what he has done, and he isn't messed up like you people seem to think he is, so id advise you go do something productive or beneficial instead

Retro trying to first manipulate me with his alts, and then he gets me and my boyfriends age gap wrong. (it's 2 years, 7 months.) Retro Night is still making false pedophile allegations and PREDATOR ALLEGATIONS. If my boyfriend loves me then how am I a predator? Retro is still making false allegations.
In retros' latest video, he took discord comments out of context and has lied about a ton of information, AGAIN!
Specifically, the "i love femboy cøck" message, THAT MESSAGE WAS ME YELLING AT AN INDIVIDUAL WHO WAS PROMOTING A GORE DISCORD SERVER IN MY SERVER!!
Retro likes to take things out of context to lie about me, and btw, Retro, danny is back to being my friend again. Seriously, just DROP THE FALSE EXPOSES, RETRO!! YOU'RE TRYING SO HARD WITH ALL THIS MISINFORMATION!!
https://docs.google.com/document/u/0/...
HOW MANY FALSE CLAIMS DO YOU HAVE TO MAKE RETRO? HOW MANY THINGS DO YOU HAVE TO LIE AND TAKE OUT OF CONTEXT? THE POLICE ARE STILL AWARE OF THE SITUATION!
DEFEMATION IS ILLEGAL, STOP THE DRAMA PLEASE FOR FUCK SAKES THERE'S NO FUCKING REASON TO KEEP SPREADING LIES YOU FUCKING DEGENERATE.

The context to the "I saw a femboy with a massive cock" photo is that I was actually exposing someone for having an open nsfw channel in their server, as well as a gore channel.
A user by the name of pixel tried advertising this server, so this was the conversation I had with the user before I banned both him and the servers owner.

Keep in mind that Magma/Slimey fully knew that Elliot was in fact a 13 year old middle schooler. I have no idea why they even typed that message in the first place, at least the middle schooler reported it. (The middle schooler also shouldn't have typed that)

Retro Drama!
I just got intel that the first person I exposed, the first person Retro defended, literally was trying to FUCK a 13 year old middle schooler.
Slimey or AKA Magma (Alt) is 17, and was caught sexually messaging a 13 year old in a public chat in ROS.
I am currently waiting for the actual evidence as from my knowledge it was completey wiped from chat, and Slimey remains unbanned.
As soon as I get evidence, this is going straight into the document, and after the increasing amount of even more intel I have recieved due to how people have been lying about my boyfriend's relationship, I might make a video shortly after July 5th 2025.
This is because Subspace will be 15 and I'll be 17, meaning they can't lie about me anymore.

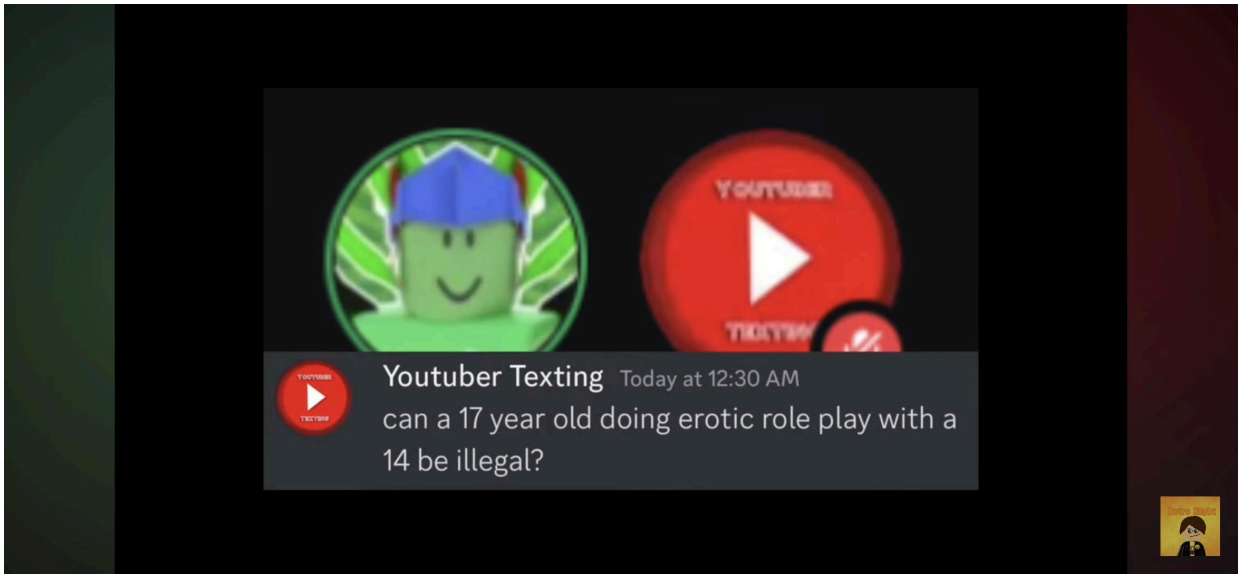
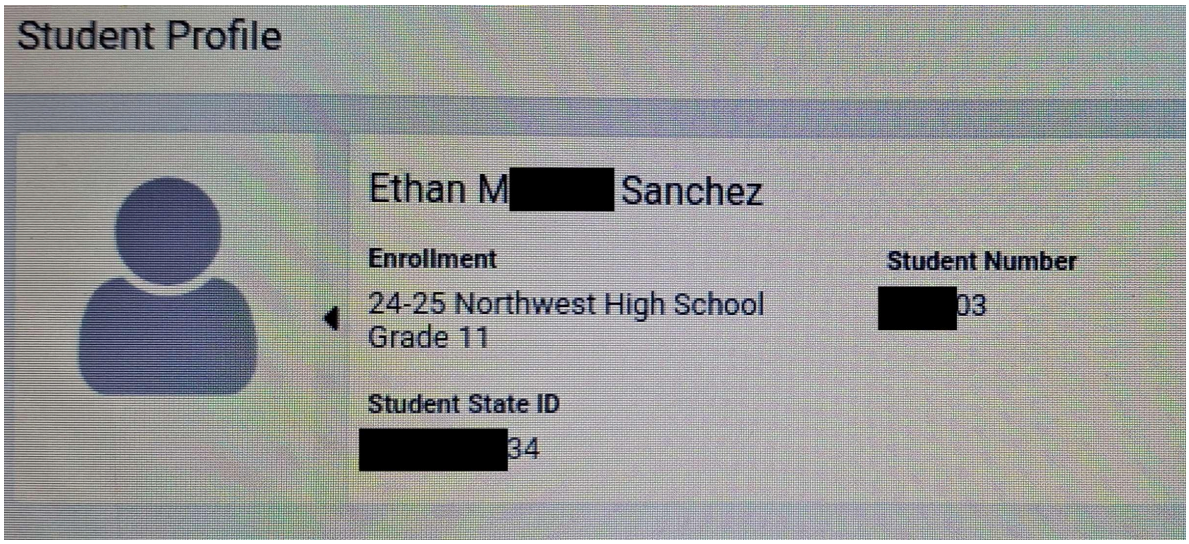
I'll be able to make an actual video shortly after July 5th, 2025, and I'm also going to be yelling at Parlo for defending these people.

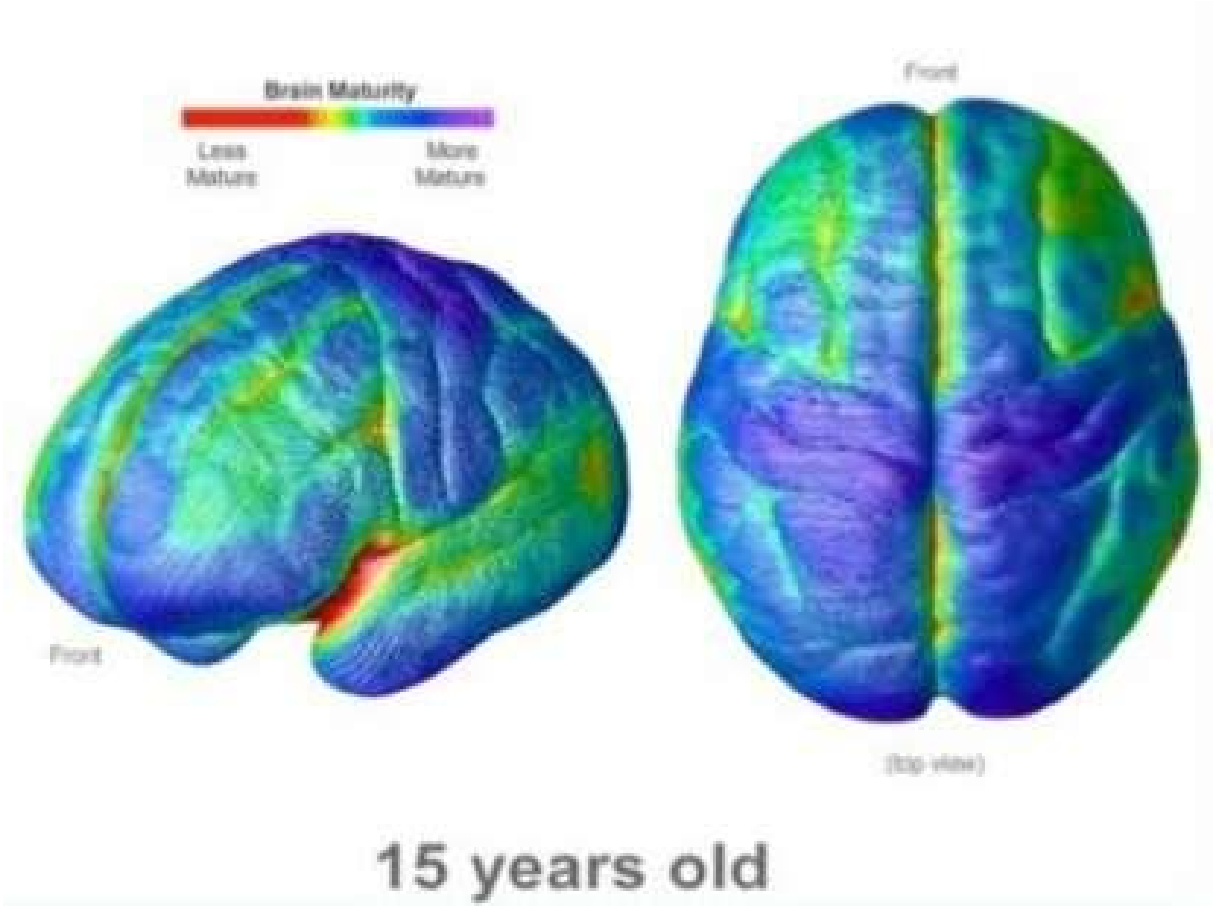


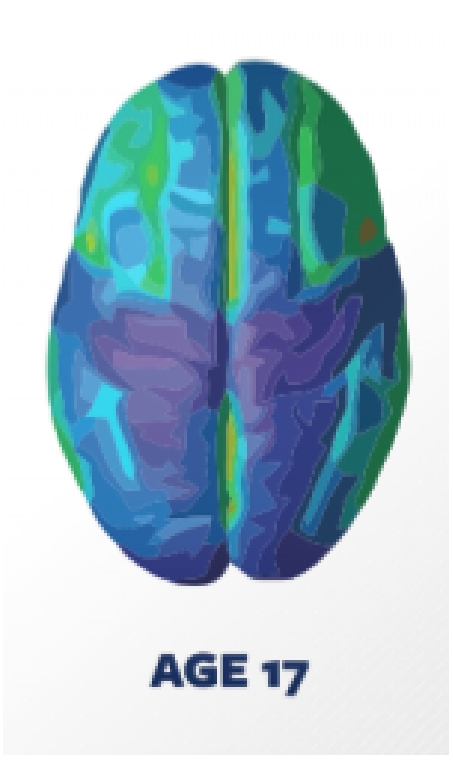
These people lied about me so much so that they have been portraying the rumor that my age gap is above 3 years, which just isn't true. I believe didn't understand the full situation because he only talked to the 19 year old dude who called a 2 year age difference pedophilia, and then began harassing both my boyfriend Subspace, and me. FYI Subspace turns 15 before I turn 18, and I won't be dating Subspace when I do turn 18. It'll be 15 and 17 soon, meaning it'd be so much easier to defend Retros false claims of: “Toothless is almost 18 dating a 14 years old-” which just simply isn't true, and they still believe it is. If Parlo does continue to defend these people even after my expose shortly after July 5th, then it would make Parlo just like these people.

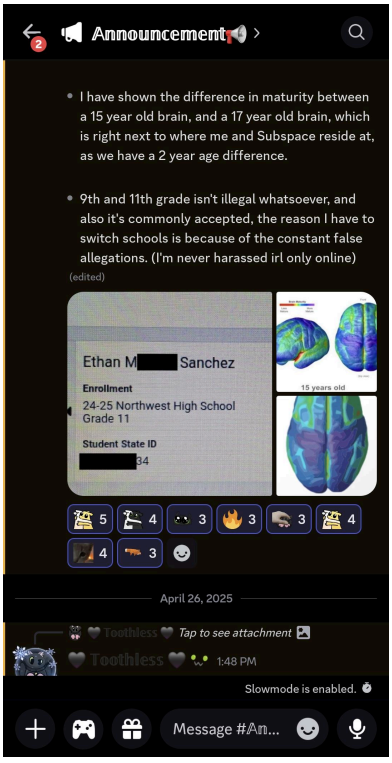
Proof I'm a junior in highschool, I'm 17, my birthday is November 2nd 2007.



The difference between a 15 year old brain and a 17 year old brain. (in maturity levels)







Announcement
I have shown the difference in maturity between a 15 year old brain, and a 17 year old brain, which is right next to where me and Subspace reside at, as we have a 2 year age difference.
9th and 11th grade isn't illegal whatsoever, and also it's commonly accepted, the reason I have to switch schools is because of the constant false allegations. (I'm never harassed irl only online)

I'm a Junior.
I'm in the 11th grade, which in America, Missouri, Jefferson County, is highschool.
9th-12th grade is highschool.
I'm not a Senior dating a Freshman, please do not think that of me. I'm not a senior.
I'm a Junior dating a freshman which if you didn't know, is a 2 year age difference. Our age difference is 2 years and 7 months, and we are both minors in highschool.
@❤️ SubSpace ❤️ turns 15 July 5th, I'll still be 17, and I'm not going to be dating Subspace when I'm 18.
The false allegations or assumptions that people make, even though me and my boyfriend have said literally we we're going to break up before I became an adult. It's legal.
I met my boyfriend when I was 16 and they were 14, if you think that age difference is illegal or pedophilia, then go complain to my boyfriend, he'll say the same shit.

Message @Elli...

All of these people who contact me turn out to be friends with one of the fucking faggots who spammed my private messages with gore, porn, or harassment. Elliot was defending jack at some point and I'm sure someone would eventually give me that information due to the fact that Jack was defending Elliot by getting him chat logs of Slimey being a literal predator. (These people are weird)

I announced this to several hundred people in my server: https://discord.gg/toothless

Slimey or AKA Magma, is 17, and was caught wanting to fuck a literal 13 year old. This simply isn't okay and these are the people RETRO decide to be around.

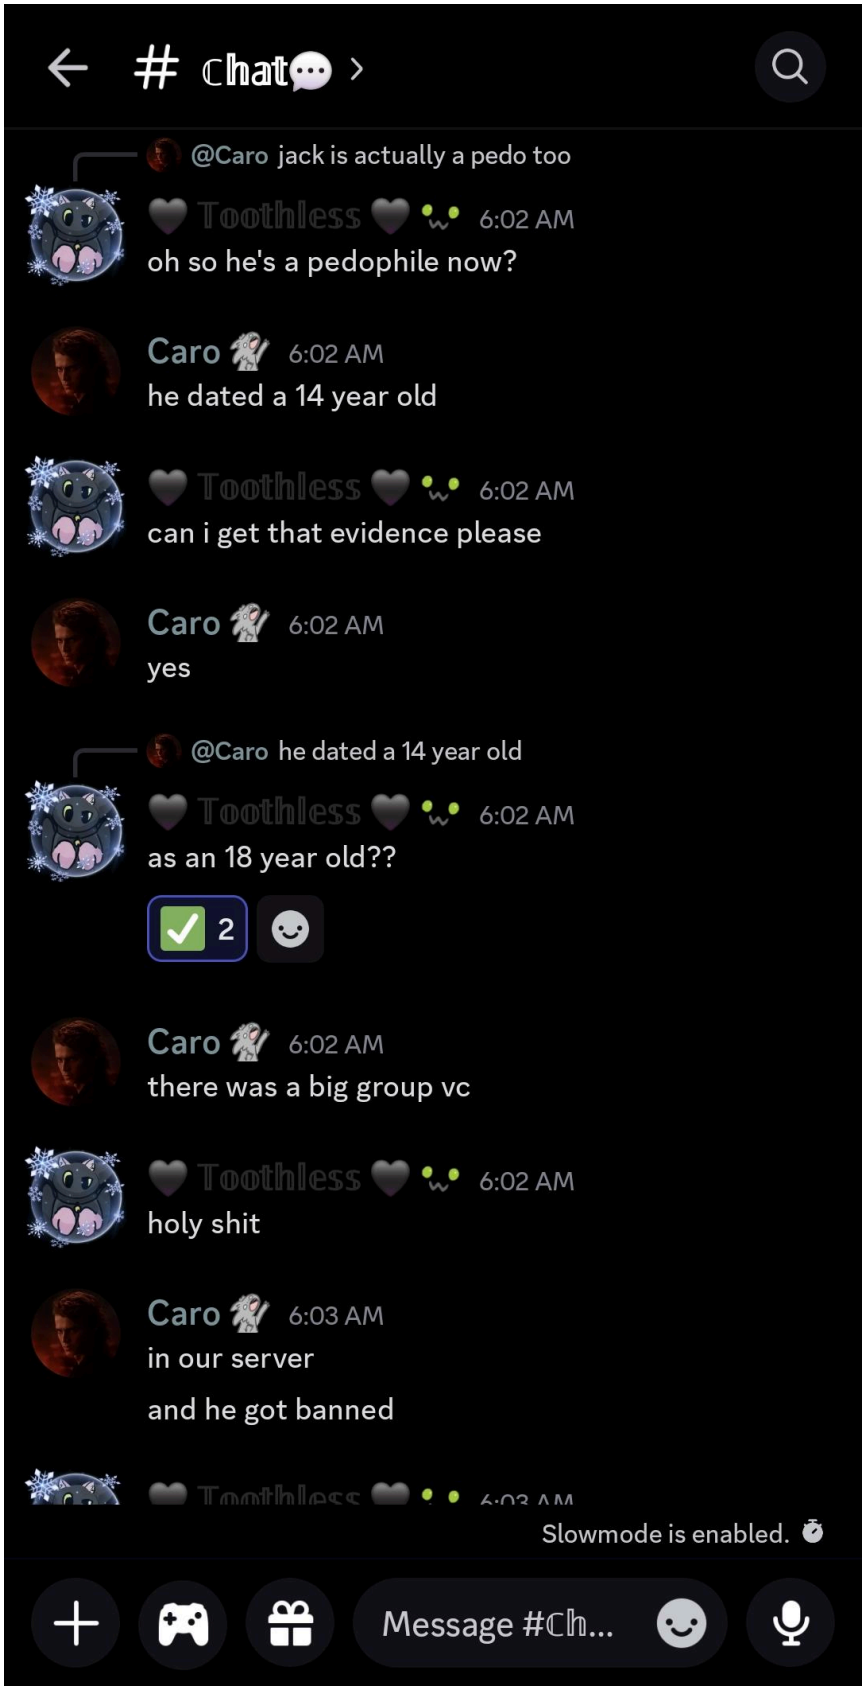
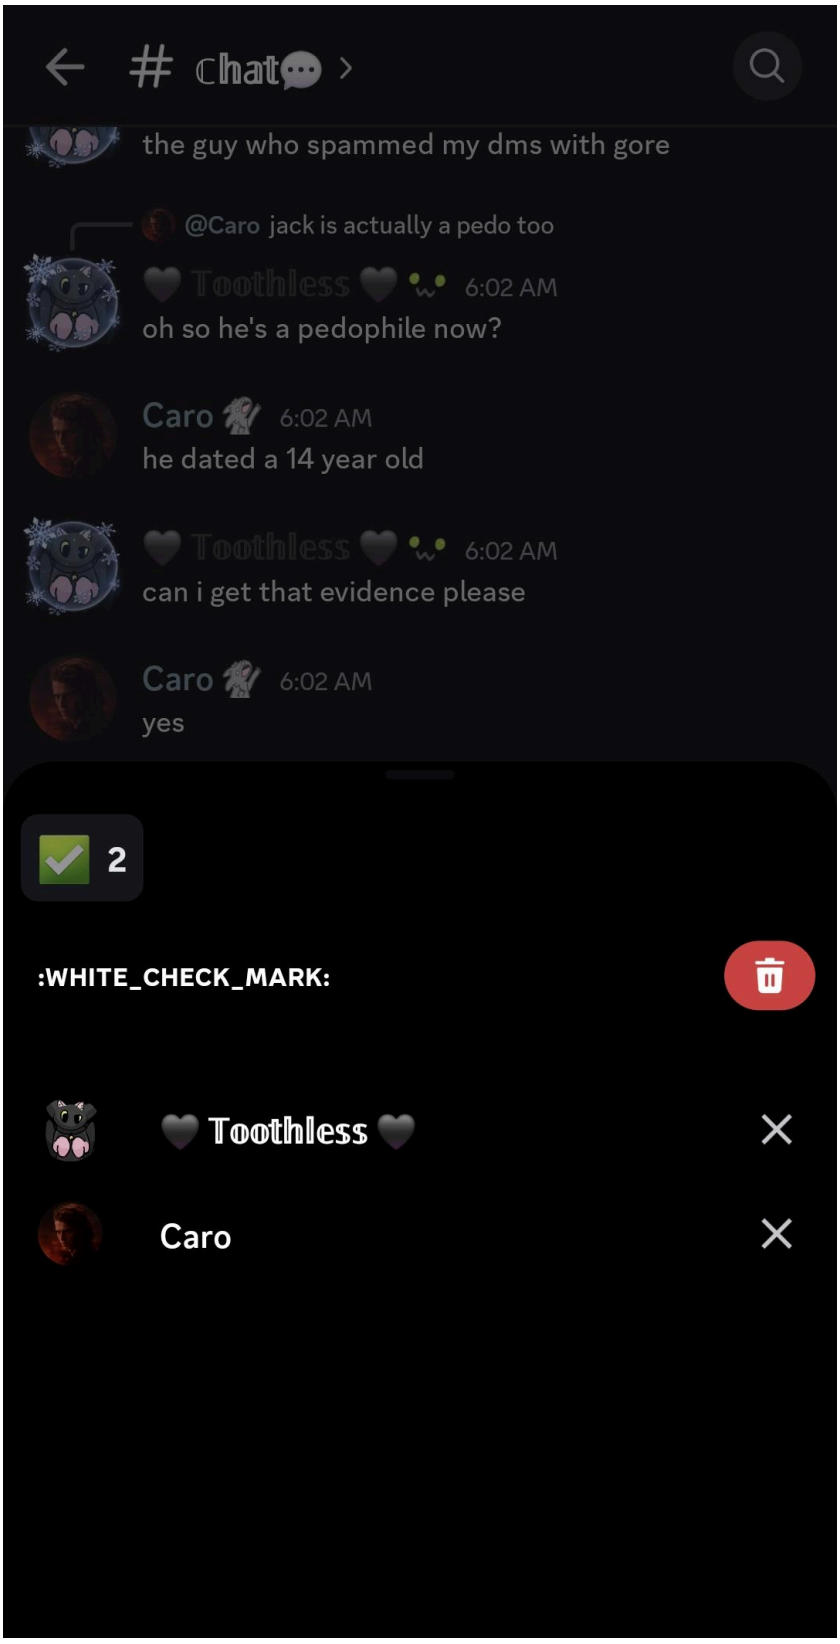
Caro/Mapper agreed that Slimey had gone too far and therefore he's still fucked up.



Jack, Epicm1's old white friend, the adult who spammed my dms with gore and the nword, is apparently a predator now, disgusting.

Here's evidence that Jack is that most people know Jack is an adult.



As of right now due to so many people harassing me, I hate everyone, and that won't change until Retro is arrested.

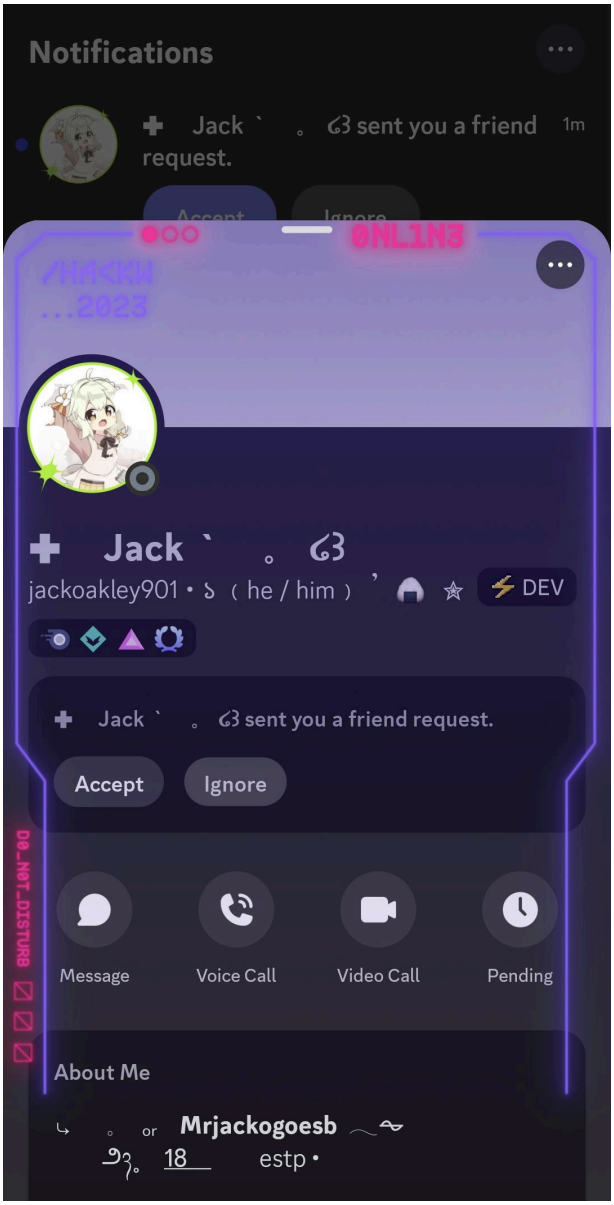
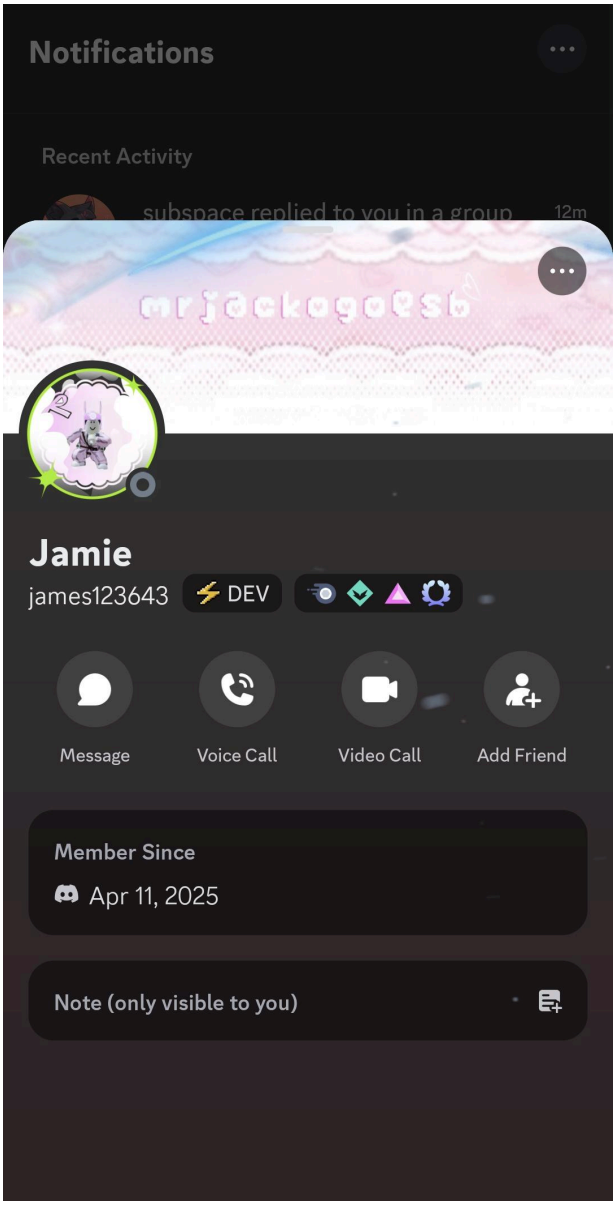
Jack was caught still being in contact with a 14 year old girlfriend while being 18. (This was for a brief period of time.) 40+ Month age gap, 3+ years. That's completely disgusting and disturbing. Jack also tried lying about being in contact with Epicm1 still.





I will show and explain the screenshots, as it was all in a group chat which involved a random ragebait from Jack/James. Remember, James claimed he blocked the 14 year old but it's shown that never happened and they were still in contact.

Remember that my boyfriend turns 15 July 5th, and I'm 17 with my birthday being November 2nd.
My relationship is a 2 year age gap, but James's age gap is 3+ (even though he said the limit was 4 years ew wtf actually 💀)
Now the victim or James significant other did turn 15 recently, but James was still in contact before this.

I believe this girl is being groomed or forced to not talk about Jack/James, due to the 3+ year age gap.

Context: kurdy is a person completely unrelated to the Retro drama, however retro has decided to side with kurdy. Retro is suppressing my voice, letting kurdy get away with a very horrible crime.

WHY
I'm not sending it to you

Kurdy was caught asking a 12 year old (now 13) for literal boob pics of herself. Kurdy was 15 at the time. this is fucking illegal.

I tried exposing kurdy but due to retro defending kurdy I actually can't let people know what kurdy did, meaning kurdy gets away. Retronight is STILL spreading misinformation about me to defend litersl fucking pedophiles.

@Helxvin Forging fake information is literally disgusting. You never went to court to appel that "false copyright claim," huh? For any of PlokenV's community or for any of the Retros community who defends Helxvin, you are defending a n@zi.
Helxvin uploaded a post to quote "expose me" and proceeded to show an arcane message.
Heres why this isn't possible:
1. I don't even use the arcane moderation system.
2. It has no message ID. This message can't be checked and verified.
3. I have audit logs to prove it as well, and I've only ever massbanned Helxvin.
Unless Helxvin provides the message ID, then that image is completely false. Neither I nor my mods have ever banned someone that way.
Helxvin, if you're reading this, do be aware that I could take the legal route at anytime, just because I didn't doesn't mean I won't, spreading misinformation like that to intentionally defame someone is genuinely disgusting.

My response. Helxvin's community is now involved within Retros community because Retro wants to defend a literal cp loving nazi that has been exposed multiple times. Because retro is a fucked up child who only wants fucking attention. all retro and these fucking people do is FAKE SCREENSHOTS. CALLING ME RACIST?? REALLY? I KNOW THAT WAS PLOKENVS DOING HE'S PRETTY GOOD AT STAGING IMAGES :3! or slimeys doing because apparently all retro knows how to do is defend predators and pedophiles because retro cant fucking do anything good with his fucking life other than to spread misinformation about me NOW USING NAZIS TO DO SO LIKE WOWWW THE RETRO NAZI AND PLOKEN NAZIS BEFRIENDING NAZIS NO WAYYYYYYY!!

Due to the fact Retro literally defended Kurdy and helxvin when I tried exposing kurdy and helxvin, and then retro said “all the information i had on helxvin and kurdy was false” i will now include ALL of helxvins and kurdys expose proof here to SHOW YOU who retro and plokenv literally defended during this drama. this is what retro fucking wants because he wants to be involved with everyone i expose, retro is a fucking dumbass. Retro contacted kurdy and helxvin, not the other way around.

Matter of a fact i dont even need evidence for that, people will naturally believe me because the people im trying to convince (retros friends) were there when retro did all the yapping about me

Here's why Kurdy is a literal predator who broke the fucking law:

I'm responding to a question someone asked in one of my previous posts about @R.K1179s.
@WTFreakyEdits asked:
"How year old this guy?"
This was my response to his question, as a lot of the people involved in this drama are misinformed about the law and what had happened:
He asked a 12-year-old for CSAM content.
Kurdy is 15 but is still a pr*dator because the definition of a pr*dator is someone who s*xually manipulates other people.
A lot of people think it's similar to the p*dophile word, but the descriptions are vastly different.
Kurdy s*xually manipulated that victim to try and get illegal photos out of that person, who is a middle schooler, this is why Kurdy is only a pr*dator because he asked a middle schooler for illegal material, as he can't be a p*dophile due to him being 15.
For someone to be classified as a p*dophile; two conditions must be met.
The age gap needs to be at least 5 years apart, and the victim needs to be underage.
There are also rules, anyone 15 or younger simply cannot be classified as a p*dophile.
So if you are asking "How [many years old is] this guy?" and then were thinking he couldn't be a pr*dator, then think again.
Kurdy is a pr*dator for the fact he tried forcing CSAM content out of a middle schooler, that is completely illegal.
Kurdy is 15. Highschooler.
The victim was 12 or 13. Middle schooler.

https://www.avonandsomerset.police.uk/crime-prevention-advice/sexting/

The crime was that Kurdy had asked a minor for illegal photos of themselves, which could lead to three different separate charges if Kurdy were to be ever prosecuted.

Evidence of the law: (Minors can be charged)
https://www.avonandsomerset.police.uk...
1. Possession of underaged s*xual material.
2. Distribution of underaged s*xual material.
3. S*xting an underaged individuals.
(For illegal material content)

Do not defend this man. He broke the law and there's clear evidence of him admitting to it, and doing the crimes.

These aren't "allegations", these are claims made with REAL evidence and REASONING. Allegations are claims made *without evidence,* however my claims have actual evidence.

These are all facts, this is not an opinion.

If you choose to be neutral about this drama, please do not involve yourself with this drama.

To answer your original question;
"How year old this guy?"

If you are referring to "this guy" as in Kurdy, the pr*dator, Kurdy is 15 years old.

//// End Response.
The screenshots down below are context to the Kurdy expose, anyone who defends Kurdy is defending a pr*dator.

The @Helxvin guy's only purpose is to troll people, Helxvin has been exposed countless times for making misinformation about people.

Any and all allegations about me are false. If there isn't propper evidence, then don't spread it around, that's called defamtion, which is illegal.

Retro let this person get away by spreading false pedophile allegations about me!!! what the fuck is wrong with people!!!

If someone argues: "Oh, Kurdy lives in Iraq, it's legal there!"
Well, Iraq signed a child acknowledgement form a while back which actually made all forms of CSAM content illegal, heres the evidence to the document and form:
https://www.nrc.no/globalassets/pdf/guidelines/legal-protection-of-children/legal-guide-to-childs-rights-in-iraq-english.pdf
https://www.unicef.org/iraq/what-we-do/child-protection
So, at the end of the day, Kurdy is cooked.

Hey everyone,
This is not easy to write, but it's something I feel the community deserves to know.
Today I'm gonna be talking about YouTuber named @Toothlessthedragon_
I've received serious information from Kurdy that a user named Toothless has allegedly been sending explicit 18+ images — possibly to people who didn't ask for them or may be underage.
I'm not sharing this for drama or attention — this is about keeping everyone safe.

These people lied about me so much so that they have been portraying the rumor that my age gap is above 3 years, which just isn't true. I believe didn't understand the full situation because he only talked to the 19 year old dude who called a 2 year age difference pedophilia, and then began harassing both my boyfriend Subspace, and me. FYI Subspace turns 15 before I turn 18, and I won't be dating Subspace when I do turn 18. It'll be 15 and 17 soon, meaning it'd be so much easier to defend Retros false claims of: "Toothless is almost 18 dating a 14 years old-" which just simply isn't true, and they still believe it is. If Parlo does continue to defend these people even after my expose shortly after July 5th, then it would make Parlo just like these people.

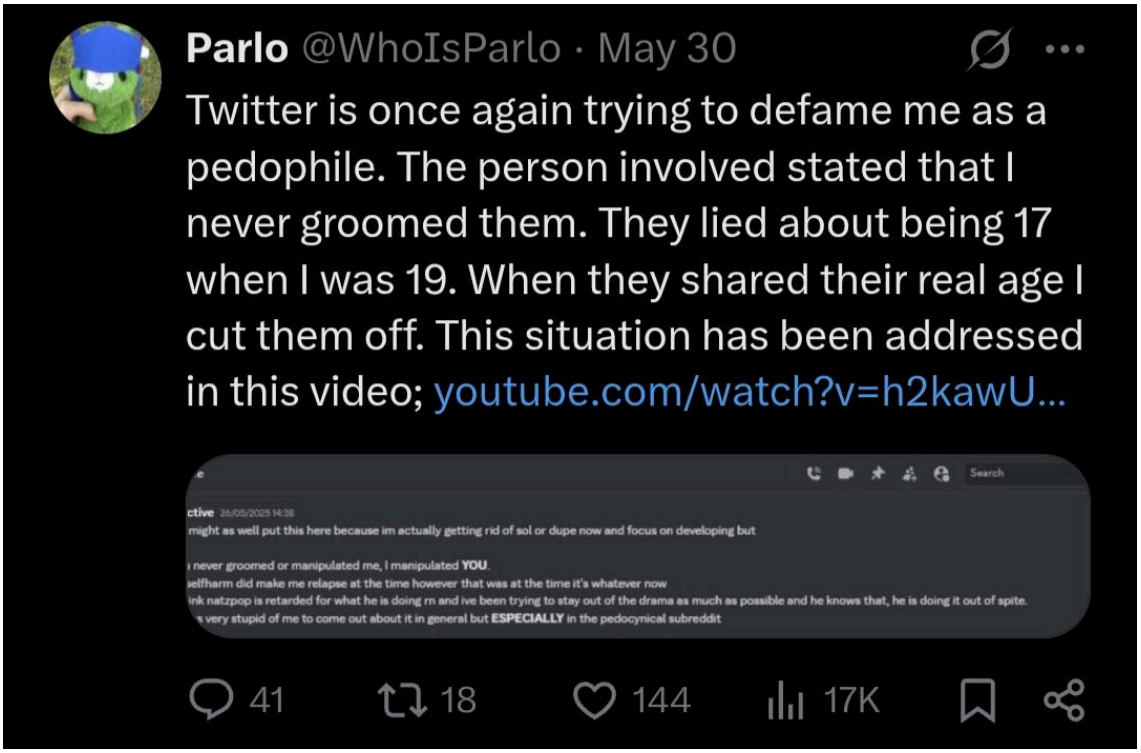
hey so there's this guy who's just blatantly spreading misinformation about me and subspace, I'm asking everyone to please spam report it. I'm not even an adult and my age gap is

THE ALLEGATIONS ABOUT ME ARE ALL FUCKING FAKE.

and btw, parlo was 19 dating 17 year olds. Parlo also does 2 year age gaps, i know this is a bad example because the person wasn't actually 17 and was way younger, but this just proves parlo is a fucking hypocrite about who he chooses to defend.
if my 2 year age gap is pedophilia, or if it makes me a predator, then parlo is also what people choose to call me.
I literally cannot make this shit up; when parlo has a 2 year age gap with people it's fine??? but when i do it when im 17 it's not okay??? even tho im not an adult?? and parlo is out of highschool dming highschoolers?? i just feel like morally parlo has done worse things dating wise than I actually have. 17 and 15 dating is apparently pedophilia, but Parlo being an adult dming minors isnt?



Parlo @WhoIsParlo · May 30
Twitter is once again trying to defame me as a pedophile. The person involved stated that I never groomed them. They lied about being 17 when I was 19. When they shared their real age I cut them off. This situation has been addressed in this video; youtube.com/watch?v=h2kawU...

might as well put this here because im actually getting rid of sol or dupe now and focus on developing but

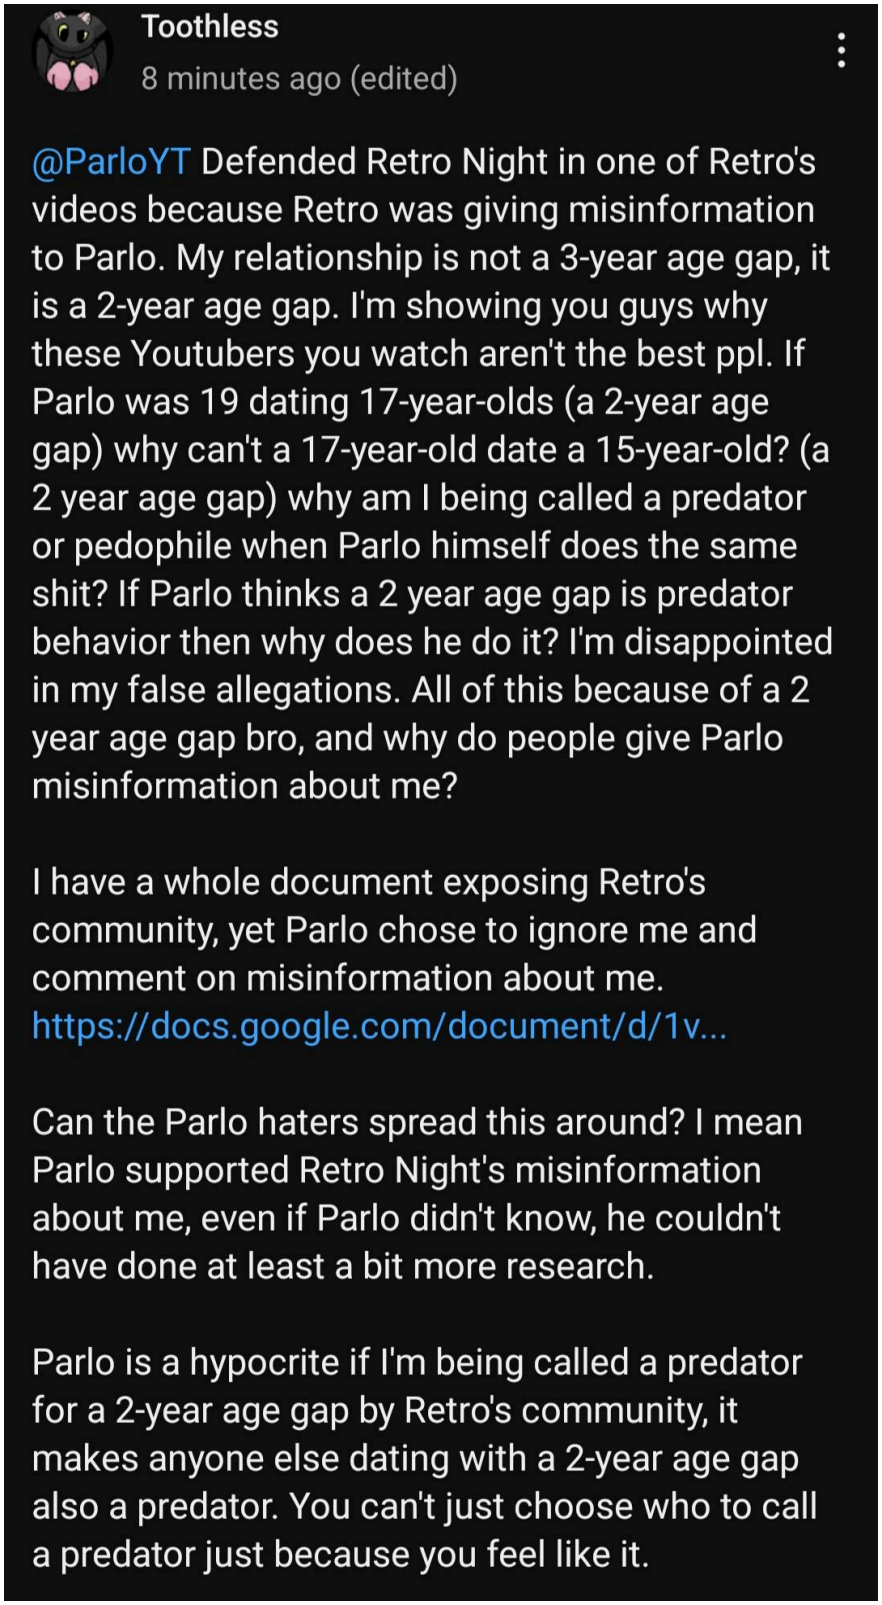
Basically since parlo was defending retro in retros false expose video which i debunked, i fucking hate parlo. retronight and youtubertexting literally only spread misinformation about me so i cant expose predators like that kurdy guy.

Twitter users here's your chance btw!! go spread false pedophile allegations about parlo like you always do about this post so then parlo will be forced to go out and say “a 2 year age gap isnt pedophilia” which would just debunk 99% of my allegations.



Toothless
8 minutes ago (edited)
@ParloYT Defended Retro Night in one of Retro's videos because Retro was giving misinformation to Parlo. My relationship is not a 3-year age gap, it is a 2-year age gap. I'm showing you guys why these Youtubers you watch aren't the best ppl. If Parlo was 19 dating 17-year-olds (a 2-year age gap) why can't a 17-year-old date a 15-year-old? (a 2 year age gap) why am I being called a predator or pedophile when Parlo himself does the same shit? If Parlo thinks a 2 year age gap is predator behavior then why does he do it? I'm disappointed in my false allegations. All of this because of a 2 year age gap bro, and why do people give Parlo misinformation about me?
I have a whole document exposing Retro's community, yet Parlo chose to ignore me and comment on misinformation about me.
https://docs.google.com/document/d/1v...
Can the Parlo haters spread this around? I mean Parlo supported Retro Night's misinformation about me, even if Parlo didn't know, he couldn't have done at least a bit more research.
Parlo is a hypocrite if I'm being called a predator for a 2-year age gap by Retro's community, it makes anyone else dating with a 2-year age gap also a predator. You can't just choose who to call a predator just because you feel like it.

because im actually pissed. parlo comments on fucking random ass drama only viewing one side, not realizing that my allegations are fucking false. not realizing he's fucking defending degenerates who are spreading misinformation and lies about me.

I was trying to expose someone for sexting a 13-year-old for illegal material, and then Retro gave that person misinformation about me so now nobody believes my evidence even though the predator admitted to the crimes.
http://youtube.com/post/UgkxWAUVv8Tv9...

I'm going through so many fucking false allegations because YouTubers are too lazy to read my document, so this is a vent post, but Parlo is wrong for supporting Retro's group.

I've debunked all my allegations, if there's no proof of me doing anything, then don't believe it. I didn't send illicit photos to minors. There is no evidence of that, stop spreading it around if there's no evidence.

To summarize this post; if people keep calling me a predator for a 2-year-age gap, then Parlo is also a predator for him being 19 and dating 17-year-olds. I just want someone to read my document and make a video on it, Parlo isn't a predator because a 2-year-age gap isn't pedophilia, but if Parlo is going to defend Retro's false allegations then he's just a hypocrite.

More evidence of Kurdy admitting to asking a 13 year old for boob nude photos, which Kurdy thinks isn't cp..? (retro supports him)

“Pics are different from cp bro 💀” – “She isn't a child” Yea, if this isn't evidence that he's a predator idk what is bro. Retro Night's community gave Kurdy misinformation about me, meaning Kurdy was able to get away from what he did. Retronight is actually disgusting, and I'm disappointed at anyone who believes out of context screenshots. :/

I will be making more videos.
Due to people still defending Kurdy after he has admitted multiple times to asking a 13-year-old for illicit illegal material.

All my allegations are false if there isn't any actual photographic evidence of the claim.

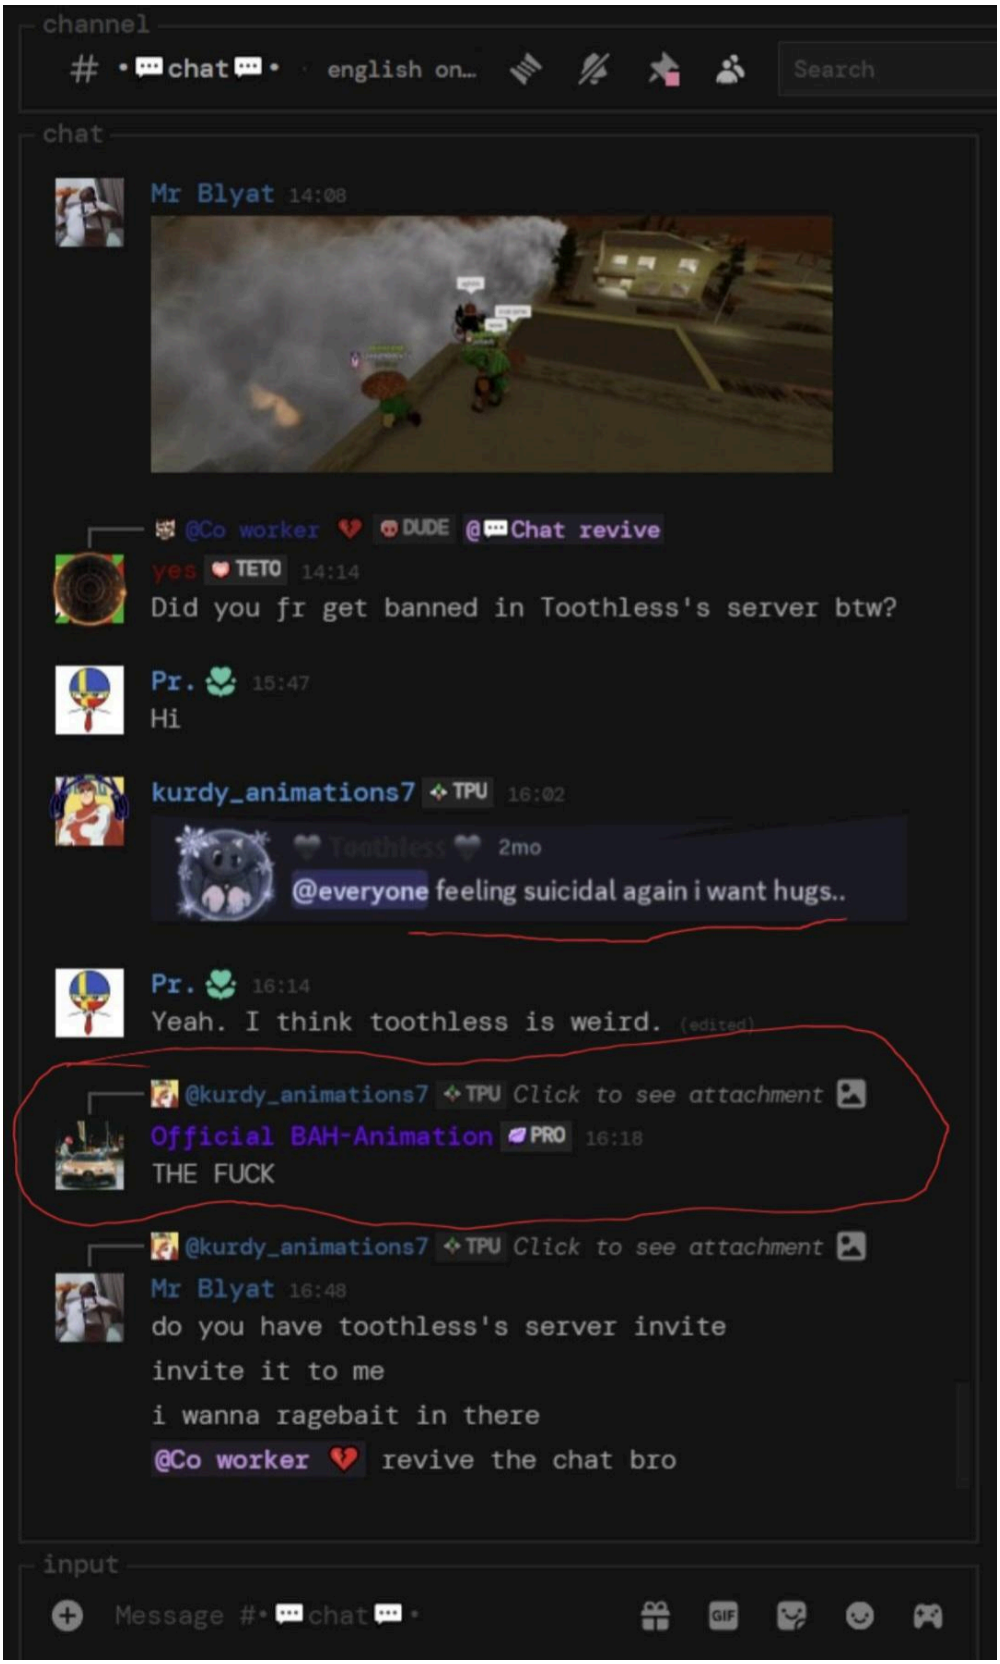
If it's an out-of-context image; if the image itself doesn't show or mean anything, then it's fake.

If an image is extremely cropped, showing very little context to the words being said, then it's out-of-context.

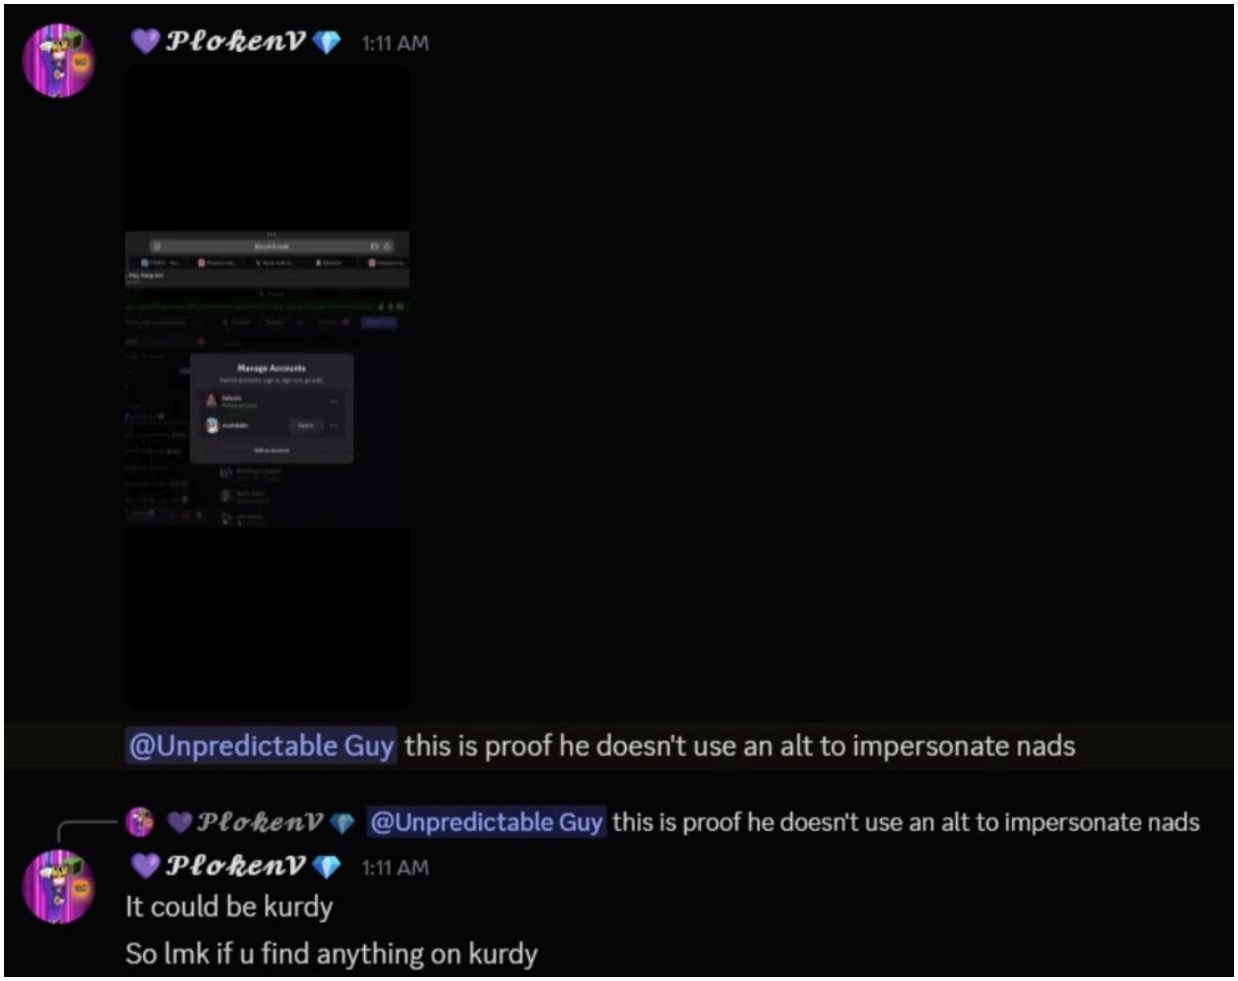
The only reason people defend these individuals even after I've exposed all of them is because of the lies going around about me. Please do not believe any defamation targeted at me.

All the allegations will be debunked or have already been debunked in my document:
https://docs.google.com/document/d/1v...

Evidence that BAH Animation was making fun of my suicidal mental state in Kurdys server.
(BAH is defending Kurdys actions by spreading misinformation about me: FYI)

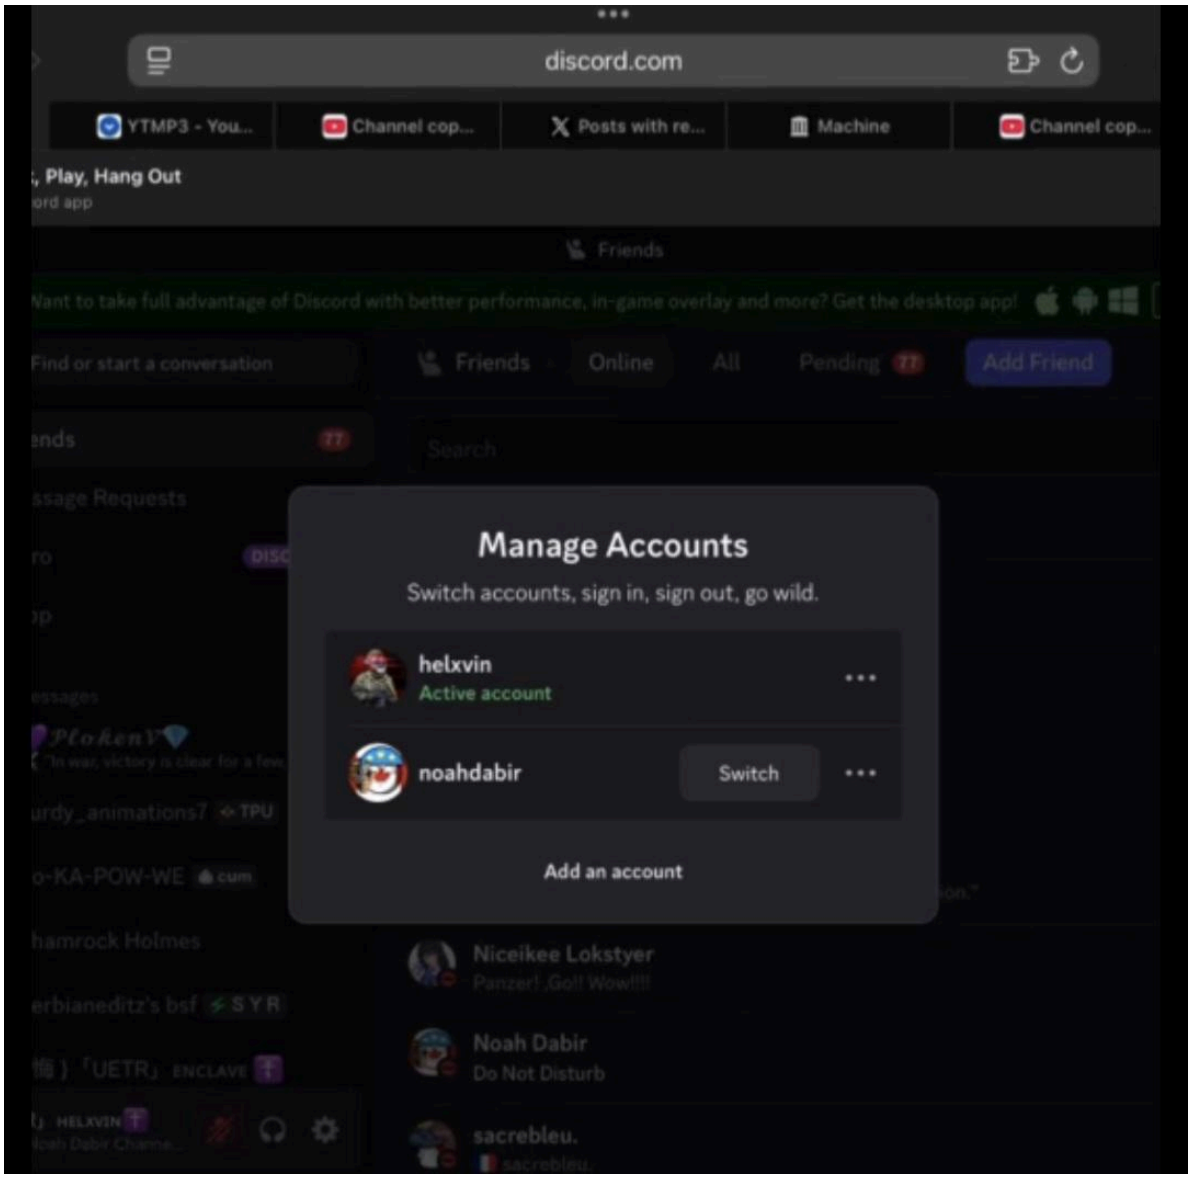


According to PlokenV; the Nads impersonator could be Kurdy. Helxvin showed his logged accounts and it didn't show the fake Nads accounts on the accounts page. (It's still technically possible to delete those accounts: FYI)



PlokenV 1:11 AM
@Unpredictable Guy this is proof he doesn't use an alt to impersonate nads
PlokenV @Unpredictable Guy this is proof he doesn't use an alt to impersonate nads
PlokenV 1:11 AM
It could be kurdy
So lmk if u find anything on kurdy

I'm assuming Helxvin is wanting to pin the Nads fake accounts on Kurdy, I have no idea why they'd want to do this.



Helxvin shows his accounts; it doesn't show any Nads fake accounts. (They could've been removed from settings)
Helxvin is also seen recently talking to Kurdy, so, this isn't clear evidence that Helxvin didn't make the fake accounts, but it shows that Helxvin or PlokenV want to pin the fake Nads accounts on Kurdy.

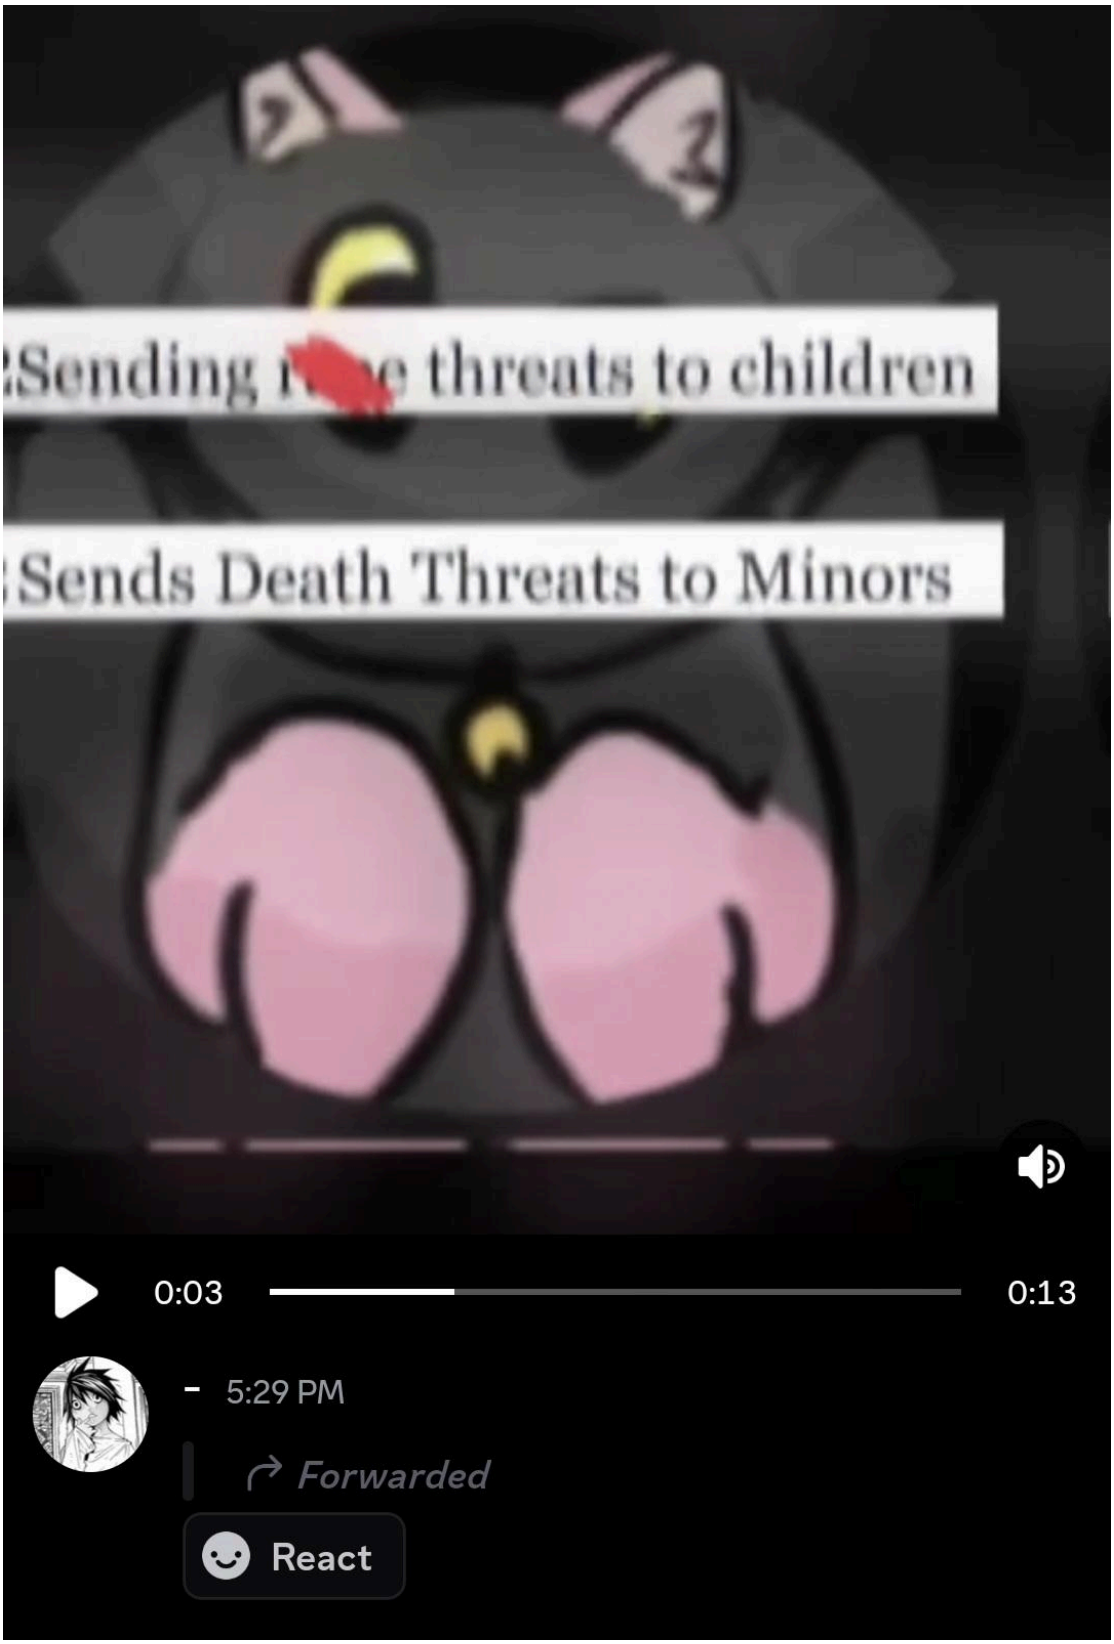
I'm going to expose and debunk an edit Helxvin actually made about me, hilxvin claims i threatened to rape a child, which is wrong.



Also there is a difference between “death threat” like threatening to kill someone, and then telling someone to kill themselves. If i tell someone to kill themselves, please dont lmfao. sometimes the false allegations, like the false “child rape” accusations, hurt me.

Helxvin is going to get in so much fucking trouble for this, it's disgusting to spread misinformation to my old principal.

I've never done rape threats to minors, I've never made death threats, idk what “porn” means as the word alone isn't illegal, but i fucking hate porn, I've never sexually assaulted anyone, i dont spread misinformation, and i don't abuse under 15 year olds. I will show context to the photo they are talking about, as well as completely explain why it's misinformation and out of context. Maybe that's why he's getting so much money right now, having multiple channels and OF and all that, so that he can start taking his victims out, so that our stories are never told. This was the victim of VEXIUMSWIFT.

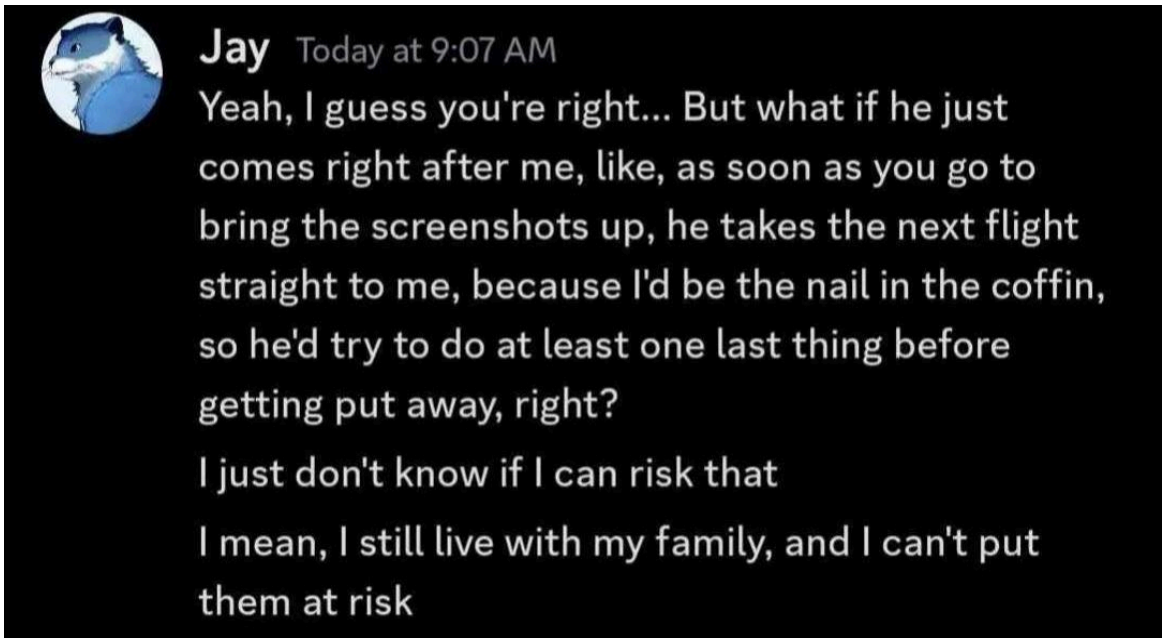
Jay Today at 1:01 PM

Okay, thank you so much.

So, I found Vex's YouTube back in April, and I subbed and started becoming a regular watcher. Then I joined his Discord over the summer, and I told him directly, "Hey, I'm only 17, but I'm almost 18, so can I please join? I'm a big fan, and I'd love to get to know you more." I would send photos to you, but going back and looking through our dms, he definitely deleted everything, because I can only see my messages. But yes, he talked to me and let me into the server, and put me in the special "Kitten" role. I started talking to him more and more, and when I brought up thinking about going to a convention for the first time, MFF to be exact, he said that he could take a flight and guide me at MFF. I said sure, not thinking much of it, but when we started talking about it more, he started "joking" about us doing something sexual there, and I joked along, but I also kind of wanted to. So, I told him that I wanted to actually do it, and he agreed, talking me through all the steps we would have to take. I told him that I would be 18 by then, and he said that was perfect, so we planned it all. He actually asked me for pictures, but I didn't send any, as I've done it before and it didn't go good at all. But then I got into some trouble with an ex, and my parents got involved, so I was grounded in September, and I haven't been able to talk to him since. I actually completely forgot about him until just a few days ago, when I found a YouTube video of his confronting the allegations, and I didn't watch all of it, thinking that it was just some stupid stuff, some drama trying to get stirred up. But I had no idea it was all this...

The victim was scared of VEXIUMSWIFT hunting him down due to VEXIUMSWIFT knowing where the victim lived.



Jay Today at 9:07 AM
Yeah, I guess you're right... But what if he just comes right after me, like, as soon as you go to bring the screenshots up, he takes the next flight straight to me, because I'd be the nail in the coffin, so he'd try to do at least one last thing before getting put away, right?
I just don't know if I can risk that
I mean, I still live with my family, and I can't put them at risk

So i fucking yelled at VEXIUMSWIFT. Helxvin, VexiumSwift isn't a fucking child. you have to stop spreading misinformation around.

I'm kinda surprised VexiumSwift never even got raided, I feel like he should've at least been investigated.

You could tell I was visibly pissed at VexiumSwift for threatening minors, and for sexting minors.

Basically I'm just showing me yelling at the pedophile because helxvin is claiming the pedophile is a child, which just isn't true.

I have live screenshots too, as evidence this was actually VexiumSwift's account.

@VexiumSwift (31y) is a gr omer.
Vexium is not only a Z ophile..
But a p dophile and pr dator.
Vexium was planning to meet up with a minor.
The victim wants to remain anonymous.
After calling out Vexium, the victim had one last scared conversation with me before blocking me.
I believe Vexium was blackmailing the victim.

Vexium Swift, a man full of mystery and...a lot of Degeneracy. In today's video I'm going to take a look at Vexium and criticize him and some of his Degenerate acts Including him doing some weird things with certain animal themed appendages.

anyways, you get the idea, VexiumSwift isn't a good person, VexiumSwift is 31 years old. helxivn is making false claims.

The reason why what helxivn is doing is Retros fault, is because Retro made the misinformation to begin with.

im actually going to first put the debunking the new allegations into the document cuz i got like 30 pages to write out
Basically it's going to be context to one image thats being sent around (i was shit talking a pedophile and threatened to rape the pedophile because he had csam content in his server and had groomed a minor)
but retro tried saying i was threatening to rape an "innocent person" which is why it's misinformation
people wouldn't care about me threatening to rape a pedophile cuz pedos suck

of them saying the pedophile was "an innocent person"
because that'll completely fuck them up

Helxivn is actually extremely fucking dumb for claiming that it was a child, even though it simply wasn't. Since helxivn was a dumbass and emailed my old schools principal, theres a good chance helxivn could be arrested for the email itself.

Here's more context that I wish to not explain but past me will explain for me.

also context to the out of context "toothless rape incident"
i wasn't threatening to rape an innocent person
i was threatening to rape a 31 pedophile who groomed a minor and had minors in his nsfw server sending csam of themselves
the reason i threatened to rape him is because the 31 year old pedophile tried raiding my server and blamed all the minors sending nsfw of themselves, on the minors. apparently to VexiumSwift, it wasn't the adults responsibility
which is what made me crash out
a shitty thing to say?
ye
but by godly that man is no innocent man
if retro would've js added the context "Toothless threatened to rape a pedophile" then i wouldn't really care
because morally idgaf about pedophiles
anyways wanted to yap about that because ppl love sending a lot of out of context images about me
and i never get to see them

If people are going to make misinformation can you at least try to make it impossible for me to debunk it?
even Retro is disappointed at seeing people take photos out of context because he's the one blamed for it.

FYI, please do not target anyone in this document. Some of the people have changed for the better or have apologized to me.

Proof Retro is involved with the racist UETR community with Helxvin and his friends mirokane and other degenerate users.

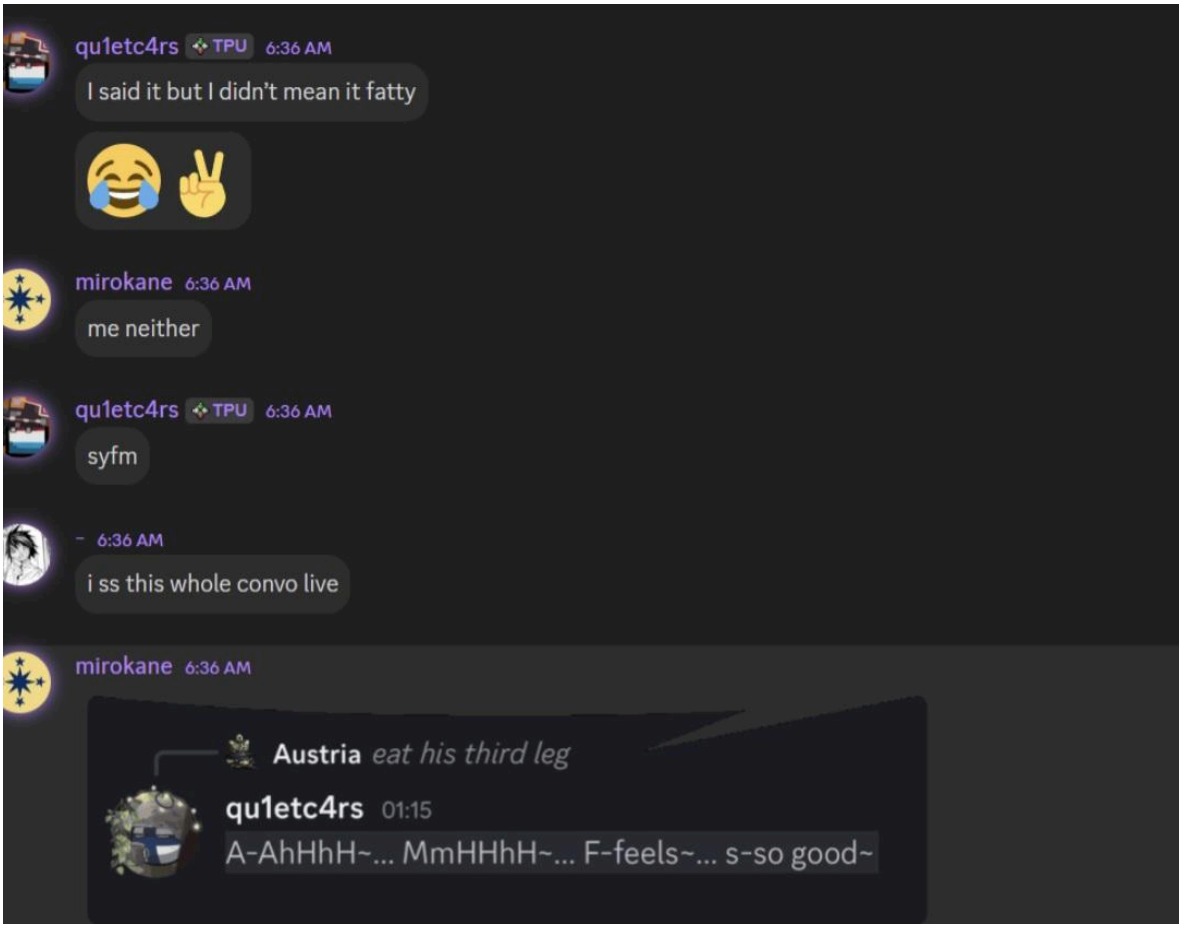
Retro Night is mentioned in the group chat, meaning Retro night is in cahoots with these degenerate UETR fucks.



Mirokane is seen sending highly sexual images even though there are minors present within the group chat.

This Mirokane user is friends with Helxvin, who has been outed as a nazi. retro is friends with all of them and supports them.

Mirokane claims to not be friends with Helxvin, however they talk all the time to each other and together.
Remember, there is more information about Helxivn upwards in the document, and how it all correlates to Retro spreading lies.

Retro proves my point by making this poster, which show all his claims have no evidence and are out of context cropped photos.
